

From the Quarterdeck

by Strother Scott, Commodore

The new building is really taking shape. The ridge beam is up and the steepest roof rafters, which have a 12 in 12 slope, are in place. The building has high ceilings both downstairs and upstairs, and the universal comment I hear is "it looks great!"

Please plan to participate in two upcoming events. The Closing Day Regatta will be held on October 20. There will be both offshore and one design events. Offshore plans a race designed to appeal to racers and cruisers. I understand it will be a staggered start race beginning off Jackson Creek, around Stove Point, to the Clubhouse, and then returning to the starting area to finish. Last year we had a great party at this event – ("Thanks for the memories" to say goodbye to the old Clubhouse). This year we plan a party to celebrate the beginning of the new clubhouse. There is talk of a topping out ceremony. Perhaps an American Flag - or a Christmas

Tree!

The next weekend, on Friday night October 26, we will hold our Annual Meeting and Awards Banquet at the Country Club of Virginia. The Annual Meeting and cocktails begin at 6:30 followed by dinner and awards. Many of the awards are cruising or junior related so do not think this is a "just for racers" event. Hopefully families who have children on the periphery of the junior activities will come as a family so their kids can see what can happen if you become an active junior sailor. We will also have the kids-in-motion slide showing each junior week sailor. Mason and Julie Chapman organized last year's terrific dinner and have made improvements this year. Please send your reservation form (available in this Log or on www.fbyc.net) no later than Friday, October 19.

The nominating and finance committees have been busy planning the new board and the

budgets for next year. Finance has recommended another increase in initiation fees for new members. For the oldest new member applicants, the initiation fees will have increased \$600 between 2000 and 2002 as a part of the New Building financing plan. We have seen no resistance to new member applications based on cost. In fact, we believe we will be offering a more attractive club at a annual cost which is still less than the average cable TV bill. New members after 1/1/2002 will effectively pay the equivalent money that each existing member has been asked to contribute toward the New Building Fund.

Once again, this serves a reminder that each existing member who has not yet contributed should please make a voluntary contribution to pay their share of the new building cost. Please send your check payable to FBYC Building Fund to Bev Crump, P. O. Box 1463, Richmond, VA 23218.

BOARD MEETING

September 11, 2001- Wachovia Bank

Meeting called to order at 6:05 p.m. by Commodore Strother Scott.

REAR COMMODORE - DAVID HAZLEHURST

SECRETARY - Lud Kimbrough - The date of the next membership meeting is October 4, 2001.

TREASURER - Mason Chapman - Treasurer's report presented. Waddy Garrett asked if reminders are being sent to members who have pledged toward the new clubhouse. Bev Crump's office is handling the reminders.

LOG STREAMER - Tom Roberts (reported by David Hazlehurst) - A Proxy and a trophy notice will be posted again in the October Log. Tom is working on re-printing the Log banner.

DOCKS - Debbie Cycotte (reported by David Hazlehurst) - Debbie reports that the new dinghy rack is in place. Carpet has been installed near Russ Collins' boat to help members get their dinghies in the water without scratching them. She is still waiting for a permit for the dinghy hoist. Rack space for dinghies will be by assignment only next year.

SOCIAL - Mike Calkins (reported by Mason Chapman) - The Annual Meeting/Awards Party will be held on October 26 at the Country Club of Virginia.

MEMBER AT LARGE - Mike Karn (reported by Waddy Garrett) - Mike Karn, Nominating Committee Chairman, will hold a meeting on Monday, September 17. Members of the committee are Case Whittemore, Jim Cobb, Wayland Rennie, Strother Scott, and Waddy Garrett.

HISTORIAN - Wayland Rennie - Wayland did not have a report; however, he asked about the water problem Labor Day weekend that resulted in turning the water off on the docks. Strother advised that there was some miscommunication about how much water we actually had in the tank.

FINANCE - Strother Scott - The Finance Committee will meet in Strother's office tomorrow night.

LONG RANGE - Waddy Garrett - Richard Callis has agreed to do the dredging in Jackson Creek for us in January and February 2002. Waddy will meet with Callis at the club in two weeks to identify the areas to be dredged. He will also request an extension on the dredging permit.

VICE COMMODORE - DICK COLE

OFFSHORE DIV. CDR. - Stuart Burnett - The Stingray Point Regatta was a successful sailing event, and the racers were pleased with the information that David Lee relayed by radio from the Race Committee boat.

OFFSHORE LT. CDR. - Mark Wensell - Mark said his group did a good job of getting the results out for the Stingray Point races. A new computer and other equipment should be operational by this weekend, which will help in determining the results much quicker.

ONE DESIGN DIV. CDR. - Jim Black - David Hazlehurst will chair the Indian Summer Regatta.

FLEET LT. - Kelly O'Toole - Kelly received favorable comments about the new racecourse board.

TROPHY CHR. - Randy Alley - Randy advised that Lin McCarthy wants to write an article about the Potts Trophy for Spin Sheet. Nominations are needed for some of the perpetual trophies. The final determinations about the winners of the awards will be made at least three weeks before the Awards Party.

OLD BUSINESS Mark Wensell discussed the merits of accepting reservations and payments for regattas and social events online through our web site. This payment method will be tried for an event in an effort to increase early registrations, but it will not be used for the Annual Meeting/Awards Party.

Laser News

After four consecutive years of supporting major Laser Masters Regattas at Fishing Bay two club members participated in a 79 boat Atlantic Coast Masters Regatta at Severn Sailing Association. It blew hard, 20 plus knots on Saturday and 25-30 plus Sunday when less than half the fleet took to the water. Shore-side conversations ranged from how SSA administer their 60 regattas each year to the status of the new FBYC Clubhouse. And regardless of our being without a clubhouse some 6-8 local attendees told us they planned to be at Fishing Bay for the October 6-7 Indian Summer Regatta. They love our club, and cant wait for us to hold our next major Laser Regatta, as do others from Florida, New England, northern New York State and Ontario. This is both understandable and gratifying for us.

Closing Day Festivities – October 20

Something for Everybody

Bigger Boats

The Plan: Start the more stately, deliberate and non-spinnaker boats first, the fastest last, the first-to-finish wins.

Staggered Start: boats will be starting individually at their own special time, so there should be no big crowds on the starting line. All boats race in a single class.

The course: will be around government marks, with an attempt to provide a full range of upwind, downwind, and reaching legs.

It will be MOST HELPFUL if skippers register ahead of time, since the handicapping is done in advance.

We're hoping to get some of the Non-Spinnaker boats out as well as the usual racers.

Since there is some work that has to be done to set up the staggered start the following info (at least) needs to be mailed or emailed to

Smaller Boats

The Plan: Start as close to the dock as possible. One or more races open to all FBYC one-design boats. Separate course for Optimists

May use the New Starting Sequence, but it will be taught at the skippers meeting.

The course, orange inflatable marks or government marks as determined at skippers meeting.
