

## From the Quarterdeck

by Dick Cole, Commodore

As I look out the window the sun is shining. That makes six days without rain. Maybe a record. Nine straight weekends of rain, but we have a lot to be thankful for. We held almost all planned activities. I believe someone, whose name I won't mention, said something to the effect that the One Design sailors are a little wimpy. They cancelled two races.

The Junior Division got off to a great start. Over 25 Opti Kids, ages 6-8, parents, and grand parents had two rainy-wet but great weekends (June 7-8 and 14-15) on the water learning to sail. These are very young kids who basically have never sailed before. Junior week was held June 16 through 20 with over 100 juniors, sailing on Wind Surfers, Opti's, Bytes, Lasers, 420's, Mobjacks and Flying Scot's. New this year is Race Team Extended Program. The program is a big success. We have juniors signed up for all 420's, Optis, Lasers and Bytes. Many of our juniors have stepped up from Opti's and Bytes to the 420's. We have heard from many parents and the word is,

yes, FBYC does have the best Junior Program on the Bay. We are very fortunate to have a Junior Division Staff so committed to a high level of excellence. Special thanks goes to Ruthanna Jenkins and her Staff, Kelly O'toole, Melanie Crittenden, Noel Clinard, Jan Monnier, coaches-Melanie Clore, Shawn Fisher, Dan Herlihy and all the other volunteers who gave their time and energy to making this a successful program. Don't forget to come out and support the junior away races this year. Melanie Crittenden and Ruthanna have all under control but can always use help. If you can to volunteer, call them.

The FBYC facilities are first class and we continue to get letters and calls from visiting sailors on what great facilities we have and the hospitality of FBYC. During junior week the Corinthian Yacht Club from Philadelphia rafted up at the club, had a catered dinner and all had a great time. Our facilities can handle large diverse groups and not be over-crowded; but it all comes back to what sailing is all about, whether it is racing, cruising or teaching juniors—camaraderie among sailors. I would like to quote a few sentences that Philip Purrington of Va. Beach said in a letter to me about his stay in September 2002 and May 31 2003. "Our sail back to the Corotoman on Sunday was exciting, windy and for the

*(Continued on page 4)*

### **The Junior Beat Rolls On**

**David Hazlehurst  
Ruthanna Jenkins**

Despite the weather, Junior Week 2003 was a fantastic success. Over 100 Juniors participated. Most important now, this year's program is much more than a one week affair, and the remaining activities are open to all FBYC Juniors, whether or not they were able to participate in Junior Week. In fact, if there's space, **any** Junior is welcome to bring a friend to one of the remaining events. Just call Melanie or Ruthanna to check on space and reserve a spot.

Take a look at the calendar on page 7 and pick as many events as you can make. Note that there are events each day of the week at the same times each week.

**Mondays** are for one-on-one coaching. Schedule some personal time with a coach to work on any aspect of sailing. For example, some juniors have mastered the spinnaker this way already.

**Tuesday** is travel day. Everyone interested should call. There is of-

## Board Meeting Highlights

Meeting called to order at 6:05 p.m. by Commodore Dick Cole.

### REAR COMMODORE – JAY BUHL

**LOG** – Steve Gillispie advised that he could not get all of the articles he received in the last issue and requested that articles be sent to him by the cut-off date.

**DOCKS** – There are several small slips available. Gil Miles is going to organize the west side of the drysail area and will then assign parking spaces.

**SOCIAL** – The next social event is on Friday, July 4.

**FINANCE** – The Long Range Planning Committee has asked Jay Buhl and Mason Chapman to consider the Committee's suggestions regarding an increase in the amount of the annual donations that the club makes to local Deltaville charities and to bring a recommendation to the Board for vote in July.

**WEBMASTER** – Strother Scott reported that the club's web site now has about 340 visits per day.

### VICE COMMODORE – DAVID HAZLEHURST

**FLEET CAPTAIN** - The Coast Guard recently inspected 10 boats at the club, including *Mr. Roberts*, and found them all to be seaworthy. All scheduled Off-shore Spring Series races have taken place but two of the four scheduled One-Design Spring Series races were canceled. Eight FBYC boats are expected to race in the Black Seal Cup Regatta in Hampton. The team-racing concept is gathering momentum and RRYC will come to FBYC the end of June for the first team-racing event. Volunteers who would like to help in this year's Stingray Point Regatta should contact Mike Karn.

**ONE-DESIGN DIVISION** – Two Spring Series races out of four were sailed, with a total of 27 boats participating. Upcoming one-design scheduled events are the team races with RRYC and the July 4<sup>th</sup> race.

**CRUISING DIVISION** – Eighteen boats have participated in the first three cruising events and have sailed approximately 971 total miles. Eleven boats have signed up for the 2-week Northern Bay cruise.

**JUNIOR DIVISION** – The Junior coaches are working on ideas to get the Juniors back to the club to sail/race following Junior Week for the remainder of the summer. Kenneth Andreasen gave an excellent seminar on June 7-8 and the seminar was especially beneficial for the coaches who attended. There were 26 participants in OptiKids and approximately 92 enrolled for Junior Week, not including the CIT's.

## Membership

### Final Approval

Mr. & Mrs. J. Christopher Jankowski  
Mr. Robert A. Jureit

Mr. & Mrs. Robert M. Keane  
Dr. & Mrs. Brockett Muir, Jr.

Mr. & Mrs. Frank H. Reichel, III  
Mr. Martin B. Williams

### Resignations

Mr. & Mrs. Christopher J. Coffing  
Mr. Christos D. Dedes

### ATTBI.COM to "COMCAST.NET"

Over 50 FBYC members' e-mail addresses ending in "**attbi.com**" **changed to "comcast.net" on July 1, 2003.** The new addresses should be available on the web site between July 1 and July 3. You can find a new address by going to the "Member's Only" section at **www.fbyc.net** and typing in a last name. The User Name will also change for some members. The new e-mail address for **Executive Secretary Mary Spencer** as of July 1 will be **maryspencer.fbyc@comcast.net.** **Please make the change in your address book.**

**FLEET LT.** – David Hazlehurst reported that we are still waiting to replace the starboard engine on *Mr. Roberts*, but Don Landau and Paul Howle are driving the boat. A number of club members have been very generous in allowing the use of their boats during races.

**PROTEST** – Anyone who has a race scheduled should let Mike Karn know if they want him to have a protest committee available.

**OLD BUSINESS** – The Special Dock Committee plans are moving ahead slowly. Mike Karn is working on final changes on the view of the dock and Richard Callis is working on some of the drawings.

**NEW BUSINESS** – Dick Cole reported that there has been significant

## Free Sailing

### David Hazlehurst

On page 7 of this Log is a calendar which our two coaches have prepared. This shows when the coaches are available for teaching at the club, and regattas scheduled away from Fishing Bay.

There are also blocks that show where there are opportunities for Free Sailing.

During these times any club member is encouraged to use any of our club boats. Access to the Junior storage shed requires only punching in the combination shown on your membership card. And check-out procedures are posted inside the shed. Hopefully, adults who want to sail will use this opportunity. To encourage this activity we will arrange for an after sail cookout, or perhaps revert to the local staple, lasagna. All you have to do to join in this activity is show up at the club no later than 2.30 PM, and be off the water before dusk.

---

*(Board Highlights continued from page 2)*

progress made on the possible acquisition of land at the Stull property. He appointed an ad-hoc committee of Waddy Garrett, Strother Scott, and Bev Crump to work with the Flag Officers to develop the opportunity and represent the club. Strother Scott reported the details of the opportunity to buy a portion of the land from the group who has placed a contract on the property and the implications on the future of the club. After much positive discussion, Strother was instructed by the Board to work with Allan Heyward on a letter of intent to buy 2.5+ acres, all subject to Board approval and a permitted use as a yacht club, and to report back to the Flag Officers.

There being no additional business, the meeting was adjourned at 7:40 p.m.

## MOBJACK BAY CRUISE

July 19—July 25

### Wayland & Maggie Rennie

Down and back will be full day sails; otherwise we have planned short legs, no heroics, times ashore. On Saturday, July 19, we'll take off early to sail to the East River, where we'll anchor overnight. On Sunday morning we'll visit Zimmermans Marine and cruise by many beautiful homes and a tidal mill; then sail to Ware River, where we'll have a catered dinner at the yacht club, anchoring overnight. Monday, July 21, we head up the North River and will anchor in Davis Creek for a visit to "Lightview," with swimming, tennis, touring the house, and a box lunch there. In late afternoon we'll head farther up the North to Blackwater Creek to anchor overnight. July 22 we sail to the Severn River area, and dock at Severn River Marina on the southern branch. Dinner ashore at a nearby restaurant. On July 23 we'll sail to Yacht Haven on Sarah's Creek off the York River. On the 24<sup>th</sup> we'll visit Yorktown Victory Center and have a guided tour of the U. S. Coast Guard Training Center (largest on the east coast), then return to the East River for overnight and Fishing Bay on the 25<sup>th</sup>. About 10 boats have signed up, but more are welcome. Contact Wayland or Maggie Rennie at 353-7708 by July 10 to join us on the Mobjack!

## Annual Cruising Regatta

August 2, 2003

Sam Stoakley

Please mark your calendar and plan to participate in this annual, casual, fun race for the less-intense sailing enthusiasts. As always, your boat's rating will be adjusted to reflect your decision to tow your dinghy, have an air-conditioner, bring the kids along, sail with 10 year old sails and other perceived handicaps. Our race coordinator, Chip Hall, will compute starting times based on these adjusted ratings and the selected race course and will stagger the start in an effort to have all boats finish in a dead heat. The slower you are, the bigger head start you will get!

After the race, please plan to join us for refreshments, awards, and a "Cheeseburger in Paradise" dinner at the Clubhouse. Jimmy Buffet has been invited to sing a few of his favorites, but, unfortunately we are not able to confirm his appearance at press time. We'll keep you posted! The cost will be \$7.50 per adult and \$5 for children (with or without JB).

Please call or email Sam Stoakley (sstoakley@bbandt.com) (804) 754-1407 to sign up and to get a Cruising Regatta Handicap Adjustment Form.

## New Membership Guidelines

### Elizabeth Staas

As a reminder, FBYC new Membership Guidelines went into effect January 2003. The new procedures allow our FBYC Board and current members more time to get to know prospective members before voting

*(Continued on page 4)*

*(from The Quarterdeck... from page 1)*

most part wet. Several times during the day our conversation revolved around the marvelous way in which we were greeted at your club. It brought home to us one of the joys of yachting, and that is the camaraderie we share with other yachtsmen. Not all boaters are yachtsmen, but you and your members seem to have written the book. Please pass on our thanks for your help last September and thanks for all of your wonderful hospitality this past May. Your reputation on and off the water is well deserved.”

Rosegill was another success thanks to the hard work of Janie French and all of her volunteers. Yes, we had a little rain but over 250 members and guests enjoyed the food and the band was great.

Coming up are some important dates, so please mark your calendar and come out and join the fun. Junior Regatta June 28; First Annual Team Races June 29; July 4 One Design Race and Beach Party Celebration; Summer Seabreeze July 5; Leukemia Cup Events-July 9th Art on Fishing Bay at the club house, Friday 11<sup>th</sup> Registration and Silent Action and the Race and Dinner on the 12; Wayland’s Mobjack One Week Cruise starts on July 25.

See you at the club

---

### **Spring Blow-Out Sail at FBYC**

**Lori Moyer**

**One-Design Division Commander**

Mother Nature threw a bit more than all those rainy days at us this Spring.

Spring Series 1 was held on a beautiful Sunday allowing the Frontrunners, Flying Scots, 420’s and Lasers to open the season just as they had hoped with 4 great races. Day two found the one design racers huddled in the clubhouse enjoying a pancake breakfast as thunderstorms

deposited rain and a few bolts of lightning. Ugly rain and high winds also forced the cancellation of races on Spring Series day three.

Finally, the fleets made it back on the water after a one hour postponement on the final scheduled day of the series and enjoyed most of two good races before gusts in the 20’s dumped a few 420’s, Lasers, Flying Scots and Frontrunners. After one stray boat drifted to the FBYC dock on its side and a few rescues were performed by the volunteer chase boats and some fellow sailors, we called it a day. Congratulations to the top finishers in each fleet, Strother Scott in 420, John Beery in Flying Scot, Joe Williams in Front Runner and Brad Squires in Laser.

While the Spring Series racing was somewhat scattered, it was exciting and the One-Design Division has plenty of events lined up to make up for those missed days. There is the annual Fourth of July Long Distance Race followed by a cookout. Summer Seabreeze Races are scheduled for July 5<sup>th</sup> and 26<sup>th</sup>. The second Team Race vs. Rappahannock Yacht Club will be held on July 27 at RYC. All of this leads up to our main event, the Annual One Design Regatta on August 6-7 featuring over one hundred boats in 10 fleets over 3 courses. So don’t miss out, and I look forward to seeing you on the water!

*(Membership Guidelines... from page 3)*

them into membership. As you know, FBYC is always seeking new members who will help promote our sailing and cruising programs to their highest scale; however, the club currently has a Waiting List for Membership.

If you are planning on sponsoring a prospective member, please contact Elizabeth Staas, Membership Chair at 278-9882 to discuss the applicant. You, as a sponsor will then be sent an application to forward to the applicant for completion. As primary sponsor, **you** are responsible for gathering all appropriate documentation and submitting it with the completed application to Mary Spencer, FBYC Secretary. The sponsors (2) must be FBYC members in good standing and have joined FBYC prior to 1/01/03. FBYC members who have joined after 1/01/03 must be members for 4 years before sponsoring an applicant.

Applications are reviewed and subsequent membership meetings may be held once per quarter. Applicants are interviewed by the Membership Committee which then determines whether to place the candidate on the waiting list or reject the application. As deemed appropriate, candidates on the waiting list may be presented to the Board of Trustees to be voted into membership. The names on the waiting list are not published; however, all are presented to the Board at each Board Meeting.

Anyone wanting a copy of the membership guidelines should send a request to Elizabeth Staas, Membership Chair. Any questions or comments should be referred to the Membership Chair or the Membership Committee. The 2003 FBYC Membership Committee consists of Elizabeth Staas, Chair; David Hazlehurst, Jay Buhl, Mason Chapman and Allan Heyward.

## Amusing Historical Anecdotes...

### FBYC Believe It...Or Not!

Jere Dennison

- **In spite of dedicating their ‘new’ clubhouse on Fishing Bay in 1949, FBYC members suffered for ten long miserable years with frigid showers until a hot water system was finally and mercifully installed!**

Chuck Raynor, Logstreamer at the time, published this exciting announcement in the Spring, 1959 issue of the *Log*:

A couple of years back when I first had the pleasure of coming to Fishing Bay, mention was made of hot water for showers. Being a new member I hadn't felt it politic to mention this subject, so I have remained in the dark on the status of the fabled warm waters. Now, however, it is my honor to be able to announce that money had been appropriated, a heater is being purchased, and soon the magnificent thing may come to be.

#### **Believe it...or not!**

- **In 1961, two FBYC clubmembers with two other crew were shipwrecked for nearly two days on an uninhabited island in the Chesapeake Bay when their sailboat was damaged and grounded during a fierce Autumn storm!**

The October 17, 1961 Richmond News Leader reported on the incident in an article titled “Local Men Describe Bay Experience.” The FBYC members were Byrd W. Davenport and William H. King. The other two victims were Hugo Stevens and St. George Grinnan, Jr. All were from Richmond. The newspaper account is abbreviated below:

The 38-foot ketch the four were on ran aground in a windstorm Saturday night in water three feet deep and 40 to 50 feet off Watt's Island, 15 miles south of Crisfield, Md.

“The first night was pretty rough,” King said today. “We were all soaking wet and the temperature got down to about 40 or perhaps in the high 30's.”

The boat's sails, except for the mainsail, which was tied down, blew out in the raging winds that also churned up the water around the island.

King said the men got practically no sleep Saturday night. Each made several trips through the churning surf from the ketch to the island carrying gear and supplies from the boat.

They were able to get one of the batteries on the ketch working and call for help on the boat's radio. Their plea was heard by the Norfolk marine operator who passed along the message to the Coast Guard.

An 83-foot Coast Guard patrol boat arrived on the scene about midday Sunday, but couldn't get close enough to the island to remove them.

By Sunday night, conditions on the island had improved. The men had fashioned a windbreaker out of tarpaulin and made a fire.

They were picked up by a private cabin cruiser early Monday. All four men survived the ordeal without ill effects.

- **Believe it...or not!**
- **In 1969, the Fishing Bay Yacht Club embarked on an ambitious physical expansion program, but**

*(Continued on page 8)*

**FBYC Boat Takes Line Honors in Annapolis to Newport Race**

FBYC's Larry Cohen, sailing his Swan 411, took line honors in IMS Class 1, Annapolis to Newport Race this June. With a corrected time of 95hr-59m-37s, Dawn Treader edged out the second boat Aurora (Swan 44) by over two hours.

Commenting on the race, Larry noted that, "Dawn Treader won IMS division taking line honors even though the smallest boat. Finished 2pm on Wednesday. Sailed under Fishing Bay banner. Chip Kinsey won Navigator Trophy. He is from Matthews and a member of the Matthews Yacht Club. Race was cold, wet and rough. Many thunderstorms down the bay with some gusts over 40. Out in the ocean had a northeaster all the way with winds 25-35 rain, fog and cold. Certainly was a test. Many boats dropped out."

Paul Andersen will navigate for me on the Marblehead Halifax Race starting July 6. This will be the second of three races we will do for the Northern Ocean Racing Trophy."

Congratulations, Larry, to you and your crew and good luck with the remaining races.

(Junior Beat Rools On.. from page 1)  
 ten extra crew space. Remaining trips are to Annapolis (2nd), Norfolk (8th), West River (15th), Gibson Island (22nd), and Tred Avon (29th).

**Wednesdays** have morning racing for Team and Advanced Optis and a Race Series every afternoon from 3PM—5PM. Anyone who wants to race can join in.

**Thursday mornings** are for Begin-

ning and Intermediate Optis and the **afternoons** are dedicated to 420 sailing.

**The Race Team** will be meeting on July 5th and 13th. And for some real excitement and great "riskless" competition, join as crew when the two coaches, sailing J24s, match race the 18th and 25th from 2:00PM—5:00PM.

To top it off, the 420 sailors will have a 420 Festival on July 26th.

Junior week and these events are the result of a lot of help and assistance from our dedicated volunteers.

- **Instructors:**  
**OptiKids:** Tracy and Giles Tucker and Jan Monnier
- **Beginner Opti:** Sharon Wake assisted by Terry Blackwood, Ron Jenkins and Corell Moore
- **Intermediate Opti:** Katie Roberts assisted by Melanie Crittenden

- **Advanced Opti:** Sean Gillispie
- **Sailboard:** Tim Oksman
- **Team Sailing:** Tom Roberts and Tara Lytle assisted by Kelly O'Toole
- **Adult Sailing:** Rich Lundvall and Steve Wirt
- **Racing Coaches:** Melanie Clore and Shawn Fisher with Dan Herlihy, Chris Jankowski and Abby Logan

**Counselors in Training:** Russell Branch, Taylor Brannon, Mary Gin-

Gayner, Daniel Gillispie, Conway Jennings, Katie Lundvall, Kathryn Turner, Mackenzie Van Rossem, Will Wake, and John Whittet. Paul Howle and his dedicated corps kept the motorboat fleet running smoothly and launched and retrieved the boats daily.

Call the coaches on their cell phone,

804-337-3857, or email at fbyccoach@yahoo.com. A recorded update of the upcoming junior events, is on the Junior Program Hotline at 804-787-8015—please do not leave messages on this number.

## Leukemia Cup Regatta Sails Into Fishing Bay July 11-12

### Featuring The 3<sup>rd</sup> Annual Duck Race Roy Meyer

On Friday and Saturday, July 11 and 12, the Club again hosts the 5<sup>th</sup> Southern Chesapeake Volvo Leukemia Cup Regatta, presented by SunTrust and co-sponsored by Fishing Bay YC, Stingray Harbor Marina, York River YC and the Leukemia & Lymphoma Society. This event has taken on special meaning this year since Gary Jobson, the national chairman of the Leukemia Cup Regatta series and an honorary FBYC member, was diagnosed with leukemia in mid-April. Gil Miles, heading up the Leukemia Cup cruising fleet, has dedicated that race in Gary's honor.

After three rounds of chemotherapy, Jobson is reported to be in good spirits and anxious to get back on the sailing scene.

Regatta Weekend opens with a Welcome Reception sponsored by Mike Karns/TMS and Silent Auction at FBYC at 7:00PM, Friday, July 11 and is FREE to members and the public. The auction will feature a wide variety of nautical and marine art and treasures. Several pieces of art, ranging from paintings and sculpture to photography and model boats, will also be available for sale.

Activities begin on Saturday, July 12 at 8:00AM with registration and a skipper's breakfast at FBYC. Races begin at 11:00AM for CBYRA-sanctioned sailboat races, including PHRF, spinnaker and non-spinnaker classes, multi-hulls, one-designs and the Leukemia Cup Fleet cruising class.

We anticipate over 100 boats but registration is still open. Fees are just \$100 for fundraising boats, \$50 for boats registering for racing honors only. Skippers will receive a t-shirt, party/drink ticket and a goodie bag containing several gifts.

The coveted Leukemia Cup Trophy will go to the person raising the most money for the event. An all-expenses paid Caribbean sailing charter provided by The Moorings also goes to the leading money-raiser. Last year's top fundraisers included Carolyn Schmalenberger of Deltaville, Edward "Rip" Radcliffe of Hartfield and Chip Powell of Richmond. Overall, the 2002 regatta raised more than \$104,000.

To register or to obtain more information, please contact Sheri Coombs at the Virginia chapter of the Leukemia & Lymphoma Society in Richmond at (800) 766-0797 or e-mail . Regatta information is also posted on Fishing Bay's Web Site at [www.fbyc.net](http://www.fbyc.net).

*(Believe It Or Not from page 5)*

**our beloved swimming pool that we take for granted today  
was in danger of receiving insufficient support from the  
Board for construction to proceed!**

Before the pool became a reality, wives and children who were not participating in our racing programs endured the blistering summer weekends clustered under the two large shade trees in front of the clubhouse or dodging stinging nettles around the pier on Fishing Bay. Generally these 'shore support teams' were not happy campers, and there was rebellion brewing amongst the familial segment of the membership.

In order to encourage the swimming pool project, Nancy Lewis, wife of Bolling Lewis, composed a delightful poem addressed to the yacht club Board. Here is her 'Sailing Widow's Plea':

*A baby-sitting boat watcher is all I can be,  
While my own Bus Mosbacher goes out to sea.  
And in between screams that someone's been stung,  
The children yell out that the race has begun.*

*We start from the pier to get better perception,  
But realize the distance creates visual deception.  
We can't tell a Sunfish from Mobjack or Jolly,  
The sun in our faces has made it a folly.*

*To give him a cheer or wave him adieu,  
Is all that we beach 'sitters' can possibly do.*

*How many of us girls are in the "on-shore" boat,  
Helping our husbands to keep afloat?  
By nursing their children and battling the nettles,  
We try to keep our family life deserving of medals.*

*So please! To the Fishing Bay Yacht Club Board,  
keep us cool,*

*By giving the families a swimming pool.*

- **Believe it...or not**

**64<sup>th</sup> Annual  
One Design Regatta  
August 9 and 10**

**Great Competition  
Catered Barbecue  
Live Music  
(Sweet Justice)**

**420, 505, ALBACORE, BYTE, HAMPTON, FLYING SCOT, FRONTRUNNER, LASER, LASER RADIAL, MOBJACK, AND OPTIMIST.**

Two days of racing, with up to seven races and possibly 4 separate race courses. Optimists will be divided into Red, Blue, White, and Green fleets, as defined by USODA. There may be a separate start for the Green Fleet. Additional classes may be added at the discretion of the Event Chair or the One Design Division Commander.

The Regatta is sanctioned as a separate event for CBYRA High Point awards and for Junior High Point awards in certain classes as shown in the CBYRA One Design Schedule.

# If You Love Your Boat, You'll Love Our Yard.

We are an *American Boat & Yacht Council* accredited boat yard. That means we're trained to provide the level of quality, knowledge and expertise your boat deserves when she comes in for repairs or maintenance. And our rates are reasonable. So you don't have to trust the love of your life to just anyone. Now you can enjoy the confidence of *ABYC* certified service at reasonable rates right here in Deltaville. If you really love her, doesn't she deserve the best. Give us a call at 804.776.8900. Ask for Keith Ruse.
