

*FROM THE QUARTERDECK*

**JULY 2012**

Junior Week is upon us. One hundred and eighteen young sailors and their families along with lots of volunteers are spending time on our campus, participating in this program. Our Junior Week is one of the elements which sets our club apart from many others. This program has evolved over many years because of excellent leadership and support from a large number of our members. While many of the volunteers have children or grand children participating in the program, several members see this as an opportunity to instill a love of our sport and donate their time. The location of FBYC and the ambience of our campus adds significant value to the experience of Junior Week. Our campus presents a safe environment in which children can operate with a lot of independence. The quality of our family oriented programs and the aesthetics of our facilities help to make our club very attractive for membership by young families.

I had the opportunity, recently, to visit another club in our immediate area, Greater Richmond Sailing Association located on Swift Creek Reservoir. On the weekend of June 9 and 10, John and Sharon Wake and Donna and I were guests of GRSA for their Invitational Regatta. John and Sharon were competitors in the Flying Scot Fleet and Donna and I were members of the race committee. The fleets participating in this event were

Flying Scot, Thistles, Day Sailors and a Portsmouth Yardstick Class. Light air and very shifty conditions were experienced during the two days of racing. We very much enjoyed spending time with some great folks at the steak dinner served on Saturday night. Several of the teams we met will be competing in our Annual One Design Regatta in August. John said this was the only "away regatta" he's been to, where he got to sleep in his own bed.

Jon Deutsch, our Laser guy, has recently been named as interim Secretary of the International Laser Class Association, North American component. FBYC is well known to the Laser Class as we host the Laser Masters and other championship events. Jon has done an outstanding job representing the Laser Fleet both at FBYC and on a regional and national level. We congratulate Jon and know that he will bring the same commitment to the International Laser organization that he has brought to our Fleet.

A respectable number of our members and offshore boats attended Southern Bay Race Week. By now, most of us are aware of the tornado which struck the Hampton waterfront and significantly damaged Hampton Yacht Club on Friday night ending the event. We are very grateful to know that no serious injuries to people were reported. We extend our good wishes to HYC and applaud their ability to get back in operation very quickly after the storm.

Our Cruisers Participated in the Parade of Sail for Op Sail in Norfolk. George Sadler reported at the recent board meeting that this was a very impressive event. It is indeed a rare occasion to witness this many tall ships gathered in one location. Representatives of our Cruising Division were "in the thick of it" all weekend. Memories of the images they saw will last a long time.

The Leukemia Cup Regatta is set to be sailed on the weekend of July 6th through the 8th. By now most folks planning to sail have already registered for this regatta, however, it's not too late. Registration will be accepted at the Stingray Marina location on Friday evening the 6th. We encourage all to support this fund raising event.

While the calendar tells us that the year is now more than half over, there is a lot of sailing left to do. This means that we still have volunteer openings for both large and small events. If you would like to donate your time for either AOD or Stingray, please contact David Hinckle (804-370-7650 or [david@blueprintingservicesva.com](mailto:david@blueprintingservicesva.com)). Please be advised that AOD and Stingray are not just for racers anymore, these are very important social functions as well. If you intend to enter your boat or crew on another boat, that's great. You can also participate by registering with no boat and eat dinner and boogie with the bands as well. These are opportunities not to be missed.

Until next time, here's wishing you fair winds and following seas.

Alex

**FBYC BOARD HIGHLIGHTS June 2012**

*Meeting called to order at 6:05 p.m. by Commodore Alex Alvis.*

**REAR COMMODORE – JOHN B. WAKE JR.**

**HOUSE** – A gas grill has been donated by **John Wake** for use at Fannie’s House. **Ted Bennett** reported that repairs to the oven in the caterer’s kitchen have been completed.

**DOCKS** – The water and power are back on in the cut slip and the bulkhead replacement has been completed.

**GROUNDS** – A third dumpster will be in place for the next three months for recyclables only. There are seven new recycle cans in various places on the property. **Noel Clinard** suggested that a notice be included in the Log advising members of the recycling program.

**WEB MASTER** – **Strother Scott** has added event registration on the web site for all upcoming events except for Indian Summer, Laser Master’s, Wilton Creek Cruise and the Annual Party. He does not have item prices for those events yet. Strother’s Russian programmer, Eugene, has been able to perform about 30 hours of work on the web’s registration program in the past month.

**MARKETING** – **Jay Buhl, David Hinckle** and the Regatta committee have obtained sponsorships with Ullman Sales and with Chesapeake Railway/Stingray Boat Works for Stingray. Jay has ordered or received quotes on various items for use at the AOD and Stingray regattas. The Stingray brochure has been published and Jay has marketed the event to **Lin McCarthy, SpinSheet, Southside Sentinel, the web site and the Log.**

**OPERATIONS MANAGER** – The Zodiac RIB has a rubber separation issue and Davis Boat Works is making warranty repairs.

**VICE COMMODORE – GEORGE W. BURKE III**

**FLEET CAPTAIN** – After reviewing the safety manual prepared by **David and Alison Lennarz** for the Junior program, Matt Braun believes it would be a good idea to create a similar safety program for the club and he plans to search for workable safety programs that can be used in creating one for FBYC.

**OFFSHORE DIVISION** – The Spring Series scoring has been completed. **George Burke** asked the Leukemia & Lymphoma Society contact person to send a list of the registrations for the Leukemia Cup Regatta to **Paul Wash and Brad Miller** so that they can build scoring forms.

**ONE DESIGN DIVISION** – **Rob Whittemore** needs a new PRO for the July 4th race and he plans to find out if there is a club social event on July 4th or if someone in One Design should plan for an after-race social.

**CRUISING DIVISION** – There are two more cruises in June - the Father’s Day Cruise and a 2-night cruise up the Potomac. **George Sadler** gave an update on OpSail 2012. Six FBYC boats were right in the heart of everything all weekend and the cruisers thoroughly enjoyed the event. They participated in the Parade of Sail with the tall ships.

**JUNIOR DIVISION** – **David Lennarz** advised that he plans to use the Safety Manual and Risk Management policy during this summer’s Junior events. The first weekend of OptiKids was a great success and Junior Week begins on Monday with a total of 118 participants. The Opti and Laser Race Team coaches arrived on June 7 and David has received excellent reviews from team sailors and parents who have interacted with them. The Laser Race Team visited OpSail in Norfolk on June 10 because the Laser Race Team

coach is a personal friend of the Captain of the Ecuadoran tall ship that is visiting in Norfolk. The Captain gave the race team a private tour of the ship. A Race Teams Kick-Off dinner was held at the club on June 9 with approximately 70 sailors and families in attendance. A coordination meeting of the Opti Development Team was held at the club on June 9. One ODT coach, Will Bomar, worked during OptiKids to rave reviews. The other ODT coach, **Ben Buhl**, begins coaching soon. **Jef Londrey** and his volunteers are making last minute preparations for the Commonwealth of Virginia Junior Championship Regatta. A number of Chesapeake Bay clubs have confirmed they will have members in attendance.

**REGATTA COMMITTEE** – **David Hinckle** advised that registration is now on the web site for AOD and Stingray and he has the key people for leadership roles in place. There will be a pancake breakfast at the club on Sunday morning before the last day of the Stingray Point Regatta. David will meet with all of the PRO’s for both events to develop racing courses based on wind conditions. He still needs many volunteers.

**OLD BUSINESS** – **Alex Alvis** advised that the bulkhead project has been completed and that there were some cost overruns. The contractor has requested that the club pay approximately half of that cost. While the contractor was at the club, he gave Alex some ideas about fixing the Fishing Bay ramp. Alex discussed the three suggested methods but the club has no plans to make the repairs during this fiscal year.

**NEW BUSINESS** – **Doug Anderson** led a discussion to address the club’s volunteer participation policy. He believes there is some correlation between membership retention and volunteer involvement. Doug’s recommendation was to create a position of Volunteer Coordinator who would report directly to the Rear Commodore to enlist and/or assign members (new and existing) to specific events and to keep tabs on volunteer hours performed. The goal is to produce more participation from the membership. Doug is concerned about volunteer burn-out among those members who volunteer so often. There was some discussion about the volunteer tools already in place on the club’s web site and the fact that they are not being fully utilized. **David Hinckle** said there needs to be a way of reaching out to more of the members to get them involved. Rather than creating a new Board position, **Alex Alvis** said he preferred that each of the four Division Commanders name someone within their Division (could be themselves) to discuss ways of getting members to participate/volunteer. Alex said the task of getting more members to volunteer could be included in the job description of current Board members in each Division. Alex asked **Matt Braun** to lead in this effort.

*There being no additional business, the meeting was adjourned at 7:35 p.m.*

**Membership News**

**APPLIED FOR MEMBERSHIP:**  
**Mr. David M. Graf Jr.**  
**Mr. & Mrs. Daniel L. Herlihy**  
**Dr. Christopher D. & Rev. Ann Willms**

**MEMBERSHIP CATEGORY CHANGED:**  
**Mr. & Mrs. Marcus C. Jones III from Family 30-35 to Military**

**DEATH:**  
**Mrs. Jessie H. McCathern**

MEMORIAM / MEMBERSHIP / JUNIOR

*In Memoriam*  
**Jessie H. McCathern**

11/3/1937 – 5/22/2012

Jessie H. McCathern passed away on May 22, 2012, following a brief illness. She was predeceased by a son, Hugh McCathern, in 2001. Jessie is survived by her husband of 54 years, William W. “Bill” McCathern, Jr.; a daughter, Ashley M. Ziviello and husband Al; two sons, Will McCathern and wife Maggie and Montague McCathern and wife Laurie; and grandchildren. Jessie cherished every opportunity to be involved with her children and grandchildren.

Jessie was born in Roanoke, VA and attended William & Mary. After Bill graduated from the University of Virginia, they moved to Richmond. Jessie and Bill joined Fishing Bay Yacht Club in May 1967. She, Bill and their children often sailed with other club members. Some of their sailing involved long distance races with club member George Anderson. Jessie was an avid reader and loved to travel and explore. In the late ‘70’s, she founded Cultural Circle, a membership travel/touring group, and conducted many tours to sites up and down the eastern seaboard.

A private memorial service will be held. Memorial contributions may be made to a charity of your choice. Sympathy cards may be sent to the family at P.O. Box 8346, Richmond, VA 23226.

**REQUIESCAT IN PACE**

**Membership News You Can Use**  
*Doug Anderson, Secretary/Membership Chair*

*Tempus fugit!* Supposedly, these were the first words Rip Van Winkle uttered when he awoke from his rather long nap. For those not schooled in Latin, the expression translates as, “time flies.” And for those Rip Van Winkles among us, you may be surprised to see all the changes going on at FBYC, and to realize that Opening Day has come and gone, the Spring Series of club races is over, and the Urbanna Race and picnic at Rosegill are history. Opti Kids and Junior Week were maxed out. The Long Distance Race Series and the One Design races are well underway. Cruising Division activities are in full swing. Hopefully, you have sampled some or all of the above.

Remember, FBYC is a participation center. For 73 years our Club has stayed true to its mission statement (see page 8 of your *Sailing Events* and page 8 of your *Year Book*). Our Club’s sailing and social events offer a wide, diverse variety of participatory opportunities. And they afford all of us occasions for bringing along our family, friends and potential new Club members. Participation is the operative word.

At the end of the day, your membership is what you make of it. Membership provides you a home base, a point of departure for launching into the natural world of boat, wind and water. While involvement enhances your sense of connectedness and provides you opportunities for meaningful relationships with folks who share your sailing interests, appropriating these opportunities is the challenge. Follow your bliss; sailing is about freedom.

This sailing season still has much to offer; the annual **Family 4th of July** cookout, the **14th Annual Leukemia Cup Regatta**, the upcoming **73rd Annual One Design Regatta**, and our uniquely own **18th Annual Stingray Point Regatta**, a real gala event. These are just the high profile events; there is so much more between now and Closing Day. Your *Sailing Events* book is a must read.

And we are adding new members! Through June, 2012 we added 12 new individual and family members, with 3 more individual and families to be approved for membership at the July Board meeting. And 4 of our members’ children have “graduated” to Junior Member status.

**Prospective Members are encouraged to see membership info on the Club website (fbyc.net). In the line under the Logo, see “Club,” and in the drop-down menu, “Membership.” FBYC welcomes applications for membership.**

**Opti Kids**

Opti Kids 2012 kicked off on Saturday, June 9th with 32 outstanding children and their parents, grandparents and special friends. Coach Mark Wensell and Coach Will Bowmar introduced the group to the Opti and had the group sailing around an alligator mark by the end of the first session! The group enjoyed an ice cream social, family dinner and a special appearance from a local pirate. Many thanks to Coach Mark and Coach Will for giving so much of themselves to make these two weekend sessions so much fun for the club’s youngest sailors. Also a special thanks to all the parents, grandparents and special friends who volunteered their time on and off the water to assist.

Racing begins at 11:00am

@Stingray Point Marina

Grand Gala and Awards Ceremony begins at 5:30pm. Silent & Live Auction, evening includes dinner, music by Premier, dancing, awards, and cash bar. Dinner tickets are \$20/person (One dinner ticket included with Registration)

#### Sunday, July 8, 2012

@Fishing Bay Yacht Club

Racing begins at 11:00am

@Stingray Point Marina

Post race activities & awards presentation will follow the final race.

The 14th Annual Southern Chesapeake Leukemia Cup Regatta, hosted by Stingray Point Marina, is sponsored by Fishing Bay and the Stingray Harbour Yacht Clubs with the Wilton Creek Cruising Club as a new supporting sponsor. The event is sanctioned by CBYRA. Regatta events combine sailing with the critical task of raising money to fight leukemia, lymphoma, and other blood cancers. Since the inception of the national Regatta series in 1993, more than \$25 million has been raised to fight blood cancers!

Please visit [www.leukemicup.org/va](http://www.leukemicup.org/va) for more details and easy online registration. Website registration cut off is Thursday, July 5 at 6:00pm, but don't despair, in-person registrations can still be accepted on Friday evening at Stingray Point Marina. Contact Debbie Bridwell at [Debbie.Bridwell@ls.org](mailto:Debbie.Bridwell@ls.org) or 673-5690 for more information.

Rob Whittemore winning Selby Bay Flying Scot Summer Solstice regatta with crew Kevin Clark. Len Guenther/Jon Deutsch finished 4th and Barb Guenther was on Race Committee.

## *New York Yacht Club Rededicates Historic Resolute Trophies to the USQS and The International Cup*

*By Noel Clinard, USQS Campaign Coordinator*

The New York Yacht Club has announced the rededication of two historic trophies as perpetual awards for its U.S. Qualifying Series and International Cup events. The trophies are those awarded to the storied racing yacht *Resolute* in 1915 for winning the Long Island Series, and for her performance in the NYYC Cruise that same year. *Resolute* was designed by the legendary Nathanael Herreshoff for a NYYC syndicate to contend for the 1914 America's Cup, and christened by Grace Vanderbilt. She defeated all contenders in the 1914 Trial, including *Vanitie* and *Defiance*, and set a new course record; but the onset of WWI caused the race to be postponed. She prevailed again in the Trials and, ultimately, the Cup in 1920, defeating *Shamrock IV*. The former trophy will be awarded to the winner of the 2012 USQS, and thereafter to successive winners. The latter has been rededicated for the Invitational Cup itself.

Twenty-four U.S. yacht clubs, including Fishing Bay, will compete for the *Resolute* Cup in the USQS on September 4-8, at NYYC's Harbour Court in Newport RI. The top three finishers in that series will be invited

to participate in the Invitational Cup in 2013 with larger crews in Swan 42s. NYYC has observed, as an indication of the quality of racing in the 2010 qualifying series (in which Fishing Bay competed), the three winners from that year placed 3rd, 4th and 5th in the 2011 Invitational Cup the next Fall.

The 2012 series will be sailed in Sonars and J70s. In preparation for the 2012 series, the FBYC Team of Blake Kimbrough, Matt Braun and John Wake will sail a combination of the three remaining big 2012 Sonar events, including the Marblehead NOOD, the NE Championship in Falmouth MA, and the Sonar North Americans in Rochester, NY, as well as practice in Fishing Bay, Annapolis and Newport in the new J70.

The Campaign is still seeking support from individual members to fund the logistics of travel and coaching for these events. Contributions can be sent to Fishing Bay Yacht Club, P.O. Box 29186, Richmond, VA 23242, Attn: NYYC Campaign, by check payable to "FBYC" with the notation "NYYC Campaign". Many thanks to those who have already contributed.

## *OpSail Southern Bay Cruise* *George and Frances Sadler*

It isn't often that a cruise planned for months comes off without a hitch, but this year's Southern Bay Cruise did just that. Even the stars aligned for us with the transit of Venus becoming visible as the clouds parted just in time for each boat to witness this infrequent phenomenon.

Six boats from FBYC's Cruising Division enjoyed a pretty spectacular time of it when they joined OpSail 2012 in Norfolk, Va. this June. After a convivial pre cruise dinner and Capt.'s briefing on June 4th, a night at anchor in Mobjack Bay, and the generous hospitality of Norfolk Yacht and Country Club, *Destiny*, *Tender Mercies*, *Fandango*, *Anneleise*, *Wings*, and *Kittiwake* joined the very large and colorful Rendezvous Fleet of OpSail just off Old Point Comfort on June 8th.

This year's OpSail was a commemoration of the War of 1812 and drew a huge international fleet of naval vessels as well as many other vessels

representing a wide variety of government and private organizations. As official participants of the Rendezvous Fleet, and braving cannon salutes from the *USS Wasp*, we escorted the tall ship from the state of Delaware, the *Kalmar Nyckel*, down the Elizabeth River to her berth in Portsmouth.

Following this, we proceeded to our assigned dockage in Norfolk, where we all enjoyed the social activities that the city of Norfolk had scheduled for the participants, took advantage of the opportunity to tour the tall ships, explored Norfolk, and witnessed a fantastic fireworks display.

In addition to socializing among themselves and with other boats on the dock, many of the FBYC boats were able to host friends and family while docked in Norfolk; all in all, it was a great, spirited time for everyone.

## *Captain's Choice 3 Day Cruise* *July 12th - 15th*

It's the height of the season and we hope to have excellent participation in this two night cruise with kickoff dinner at The Club on Thursday night.

The wind will dictate the ultimate destination, but if it cooperates, Onancock on the Virginia Eastern Shore, and Horn Harbor on the Great Wicomico (great seafood and the best prime rib to be found anywhere on The Bay) will be at the top of the list.

Check your calendars and make plans to join trip leaders Andy and Ellen Soyars [asoyars@verizon.net](mailto:asoyars@verizon.net) for what promises to be a fun weekend on the water.
