FROM THE QUARTERDECK

JUNE 2014

Tennessee would be proud!

On the way home from the River after a weekend of racing Flying Scots and serving on offshore race committee, my

wonderful partner in the journey of life made an interesting observation. "For all this yacht club does, it still amazes me that it's all done with volunteers." This from someone who has been a member, sailor, and volunteer at Fishing Bay for thirty years. My first response was "DUH!! Of course!" But upon further reflection, Sharon once again proved who is the smarter one of our partnership.

As volunteers, we often tease each other about doubling our pay, but stop for a second and think what it would cost FBYC if we had to PAY for what our volunteers do. Website administration, clean-up days, race management, junior program, socials – think about THAT number. And volunteer equity cuts two ways. It not only allows Fishing Bay Yacht Club to be run very efficiently, it also creates opportunities for members to get to know one another and share our passion for messing around in boats. Strong lifelong friendships often result from time spent volunteering which, unlike the effect on the club balance sheet, is priceless. You simply can't put a number on it.

There **are** things about this resource that keeps a Commodore up at night. Engagement, burnout, and retention are real concerns. The eighty/twenty rule is alive and well in our club. Often the same people are prevailed upon to do the heavy lifting. Unchecked, the natural progression for this is burnout – the member loses the joy of being a member, and the club loses the volunteer equity (possibly to point of resignation.) We have a large, diverse, talented group of people, all of

whom have valuable skills to contribute; the trick is to encourage ALL to participate and make sure people are recognized for the priceless contribution of their time.

By the time you read this the Junior Program will already be in high gear. Major events scheduled this year include Leukemia Cup Regatta, Annual One Design / Hampton One Design Nationals, Stingray Point Regatta, Flying Scot Atlantic Coast Champs, Laser Masters, J/70 Chesapeake Champs – none of these can happen without your help. In between these events are numerous club sailing events and socials. This will be a very daunting line-up without your help. Please take a look at the club calendar, pick event/date and volunteer. I promise you will have a good time; if you don't, let me know and I will **triple** your rate of pay!

75TH ANNIVERSARY SPECIAL MEMBERSHIP OPPORTUNITIES LIMITED TIME OFFERS

Fishing Bay Yacht Club is celebrating its 75th anniversary with special membership opportunities, valid in 2014 only. We are taking these steps in fulfillment of our mission to promote and encourage sailing centered programs, activities and opportunities. If you are interested in sailing, FBYC is interested in you.

The essence of this year-long membership campaign is a significant reduction in the initiation fee for a new or returning member. Our normal initiation fee is \$2,800. In 2014, initiation fees range from \$300 to \$1000. Significant reduction indeed.

For membership information and an application see "How to Join Fishing Bay Yacht Club" on our website www.fbyc.net.

FBYC BOARD HIGHLIGHTS - May 2014

FISHING BAY YACHT CLUB - BOARD MEETING

May 8, 2014 – Retreat Hospital

Meeting was called to order at 6:00 by John Wake.

REAR COMMODORE – WILLIAM T. BENNETT

SECRETARY- Douglas L. Anderson The June membership meeting will be held on Wednesday, June 11th. There are 21 new members this year.

TREASURER – Rob Whittemore: Reminder that reimbursements sent by regular mail (vs. email) will take much longer to process since he is often not in town to receive and approve them.

HOUSE CHAIR - Joe Roos: All large projects have been completed.

DOCKS CHAIR – David Clark: The dry sail hoist is functioning correctly. The bulge on the dock on the Fishing Bay side has been shored up. The Club is quickly running out of boat parking space.

GROUNDS CHAIR – Ken Odell: The yard will be aerated and re-seeded. The pool covering has been removed and the pool opening will be on schedule.

HISTORIAN – Jere Dennison: Final changes have been submitted to AlphaGraphics for the 75th anniversary book, so it's time to start marketing. Jere has some ideas which will be shared at the next board meeting.

VICE COMMODORE – MATTHEW J. BRAUN

OFFSHORE DIV CDR. – Paul Wash: The J70 Fleet has been started. All scoring is being quickly tallied and posted.

CRUISING DIV. CDR – George Sadler: On June 10th, the Ocean Cruising Club Mid-Bay Rally group will be having dinner at FBYC. Anyone who may be in the area, please stop by and introduce yourself to this group.

JUNIOR DIV. CDR – Mark Hayes: Mark reports the following:

- The Visas for two of the Coaches have been granted and the third is in the final stages.
- Opti-Kids: 34 sailors registered as of May 8. Junior Week: 137 sailors registered as of May 8. Key instructor positions have been filled; t-shirts, water bottles and coaches shirts have been ordered; caterer

and entertainment have been hired/confirmed and a “welcome” email has been sent to parents.

- Commonwealth of Virginia Junior Championship Regatta: NOR has been posted and distributed; online registration has been opened, and trophies/t-shirts have been ordered.
- Junior Shed and Junior Boats: The shed and storage room been completely overhauled and inventoried and a system has been devised with a lockbox/storage locker for expensive rigging and keys will be distributed to officers/coaches. A system of check-out is being implemented. A complete overhaul of all Lasers, 420s, and Optis has begun.
- The University of Virginia Sailing Team has asked to use our 420s, equipment and facilities for a week of practice at the club the last week of May. This request has been approved and they will be accommodated.

FLEET LIEUTENANT – Mike Chesser: Mike reported that they are continuing to look for opportunities to upgrade the non-skid on *Mr. Roberts*. Trailer work needs to be done and documentation policy needs to be reviewed. Proper fueling protocol and procedures need to be set up and put in place.

PROTEST CHAIR – Mayo Tabb: We had one Protest that was heard after the last Spring Series Offshore Race. Thanks to **John Hubbard** and **Rick Klein** for being on the Protest Committee.

TROPHIES – Ed O'Connor: There is enough stock for the next month or two. Ed is looking for new trophy ideas to “change things up.” Please let him know if you have any input or ideas.

REGATTA COMMITTEE – Matt Lambert: Planning for both Stingray Point and AOD is progressing. Yacht Scoring will be used to coordinate registration and scoring of this year's Stingray Point event.

CBYRA DELEGATE – Tom Roberts: Reminder that we should be sending offshore and one design scores to office@cbyra.org. Offshore scores should include the CBYRA event number.

OLD BUSINESS: 1st session of the U.S. Keel Boat Certification course graduated 3. The second session has been canceled due to lack of registrations. It was determined that FBYC would do better to collaborate with Premier Sailing/Norton Yachts to add attendees to

BOARD HIGHLIGHTS / SPECIAL NOTICES

their already-scheduled classes rather than try to offer a separate program.

Crew training has been highly successful, with thanks to Caroline Garrett and Jon Deustch. Of the 30 trainees, a number are already participating in various club events.

NEW BUSINESS: The J70 Fleet is entertaining holding a Friday night series during the summer to allow sailors to hone their skills and recruit sailors.

There being no additional business, the meeting was adjourned at 7:05 p.m.

Deltaville Maritime Museum to Host Leukemia Cup

The 16th Annual Southern Chesapeake Leukemia Cup Regatta takes place over the weekend of July 11-13 in Deltaville. An exciting change this year is that all onshore activities will be hosted by the Deltaville Maritime Museum & Holly Point Nature Park on its spacious grounds.

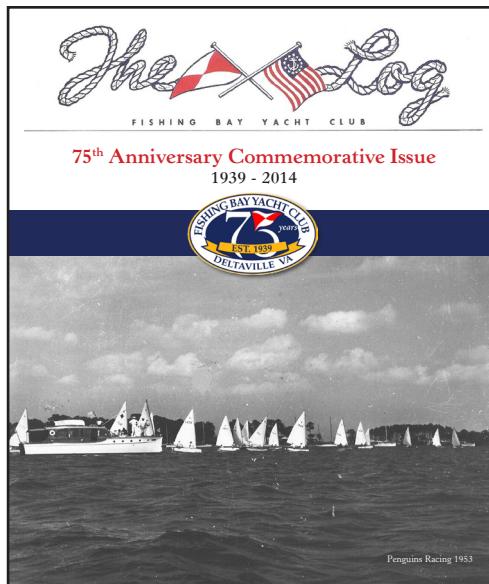

Twice voted the Best Regatta on the Bay by the readers of Chesapeake Bay Magazine, this popular regional sailing event this year will again be sponsored by Fishing Bay Yacht Club, Stingray Harbour Yacht Club, and Wilton Creek Cruising Club.

The Leukemia Cup kicks-off Regatta Weekend with a reception on Friday evening, July 11, at the Deltaville Maritime Museum where participants will pick up their race instructions and enjoy adult beverages and a splendid crab cake dinner catered by J&W Seafood.

New on Friday this year, the dynamic musical duo of 'Mike and Ed' will present their extensive repertoire of boomer tunes from the 60s, 70s, and 80s. Both area sailors, their performance is interspersed with humorous commentary.

Regatta racing activities on Saturday & Sunday, July 12- 13, will be officiated by the Fishing Bay Yacht Club, and the Gala and traditional Leukemia Cup Auction on Saturday evening, July 12, will happen at the Deltaville Maritime Museum.

Saturday's offerings include fun, good food, and the live music of Sweet Justice, returning again this year for an encore performance. You don't need to register your

The 75th FBYC Anniversary History Book is at the printer!

The Book will be 8" x 9 ½" Perfect Bound (soft cover) and comprised of over 130 pages of black & white and color images with narratives of the Club's history dating back to its founding on May 8, 1939.

This extensive history was compiled by Club Historian Jere Dennison over ten years, edited by Logstreamer Nica Waters, and includes a foreword by Gary Jobson. Contributors include numerous members and non-members alike.

Instructions for ordering will be available to members via email or by visiting the Club's website at fbyc.net.

SPECIAL NOTICES

yacht in the Regatta or even own a boat to feel welcome at this community event.

Tickets will be available at the door, space permitting, for those unable to register in advance, online or by telephone or mail. However, because of the expected demand for dinner tickets this year, it is strongly advised to register in advance to avoid disappointment.

A special treat this year at the Deltaville Maritime Museum for Leukemia Cup visitors and participants will be John Barber's Chesapeake: 50 Years of Maritime Art exhibit in the brand-spanking-new museum building. Barber, one of the nation's foremost marine artists, is assembling a retrospective of more than 50 original paintings of his most important works. Museum members enter free; others will pay a reasonable charge.

Registration for the Regatta is now available online at www.leukemicup.org/va. All entries are due before Thursday, July 10, 2014 at 1200. Registrations received by June 13 will receive a \$25 discount and ensure that the name of the participating yacht is printed on the official Regatta t-shirt. A portion of the registration fee will be tax-deductible. There will be PHRF Spinnaker and Non-Spinnaker Divisions, a J105 Division, a Classic Division, and a Cruising Division for a more casual racing format.

Skippers don't even need an official PHRF rating to

participate in the Classic and Cruising Divisions. With only a boat's specifications, a temporary rating will be assigned for the series. It's easy to do, and it's all online at www.leukemicup.org/va.

The Southern Chesapeake Leukemia Cup Regatta has raised almost \$2 million for The Leukemia & Lymphoma Society since the Regatta's inception and is typically honored as one of the top Leukemia Cup fundraisers in the nation each year.

Leading up to the Regatta, sailors and their crews raise funds for the Society to compete for prizes and a "Fantasy Sail" with Gary Jobson. The Leukemia & Lymphoma Society is also grateful to returning sponsors SunTrust Bank, Middle Peninsula Insurance, J & W Seafood, Norton's Yacht Sales, Deltaville Maritime Museum, Virginia Sportsman, Local Accent, Chesapeake Bay Magazine, Virginia Living, Motley's Auctions, and Marlow Hunter Marine. And additional generous sponsors are expected to come on board before the event.

All proceeds from Regatta events assist the Society in its mission: To cure leukemia, lymphoma, Hodgkin's disease and myeloma and improve the quality of life of patients and their families. For more information on The Leukemia Cup Regatta activities, contact Debbie Bridwell, Senior Campaign Manager, 804-673-5690 or Debbie.Bridwell@lls.org or visit www.leukemicup.org/va.

Do you "LIKE" FBYC?

Do you "like" Fishing Bay Yacht Club on Facebook? Not only do we have a great website for sharing what's going on around the club - we've got a Facebook page followed by nearly 1000 members, guests, crew, and community members, allowing them to stay current with what's going on at the club.

Whenever we post something, it's automatically shown to only a couple hundred people. The more people "like" it, the more other people see it. So help us out by 1) "liking" our Facebook page and 2) by commenting on what you see. You can also tag FBYC and check-in.

By doing this, you are helping spread the fun that goes on at FBYC to our fans and to your friends, who hopefully will be asking you soon about how they can come join the fun!

Visit <http://www.facebook.com/FishingBayYachtClub> and "like" us today!

MEMBERSHIP

Mr. and Mrs. Mark S. Schmitt (Mark and Jennifer) – Jennifer spent her summers growing up on Stove Point and is especially interested in the waters of the Bay. Her husband, Mark, has enjoyed Deltaville since they married on the Point in the late 1980's. The

Schmitts spend a great deal of time in the area, enjoying the Bay and sailing. The Schmitt children (Sarah, Marybeth, and Emily) took part in the FBYC Junior Sailing program growing up while Jennifer volunteered. The family would like to become more engaged with the local sailing community and they believe that joining the Club would be a great way to achieve this.

Sponsors: Mary Lou Boone and George W. Burke, III

John W. Collier, III (Jay) – Jay came to *Loose Cannon* as crew 3 years ago. He started his sailing career at Premier Sailing School in Irvington. He wanted to crew to get more “hands-on” experience sailing and to have the opportunity to meet more sailors. Jay has had many great times over

the years at FBYC and he looks forward to becoming an active and contributing member of the club.

Sponsors: R. Strother Scott and Evelina N. Scott

Mr. and Mrs. Darryl Resio (Darryl and Jen) – Darryl and Jennifer both have degrees and jobs related to the ocean. Jennifer maps the ocean bottom, and Darryl designs ships for the Navy. The Resios became interested in sailing in 2001, getting their keelboat certification and

planning to bareboat charter. They ended up buying their 36' S2 shortly after and have been sailing ever since! Darryl and Jen have been crewing on a boat for PHRF races for the last 5 years. Jen was a member of an all-woman team that match raced *Sheboygan* against international competition. The Resios have two children: Daniel, 16, who has been sailing since he was 8, and Alex, 13, who has been sailing since he was 7. The boys have been involved in the FBYC Junior sailing program for several years which is how the Resios met so many members and decided that they would like to become part of the FBYC community.

Sponsors: Mark E. Hayes and Mary L. Almany

MEMBERSHIP NEWS YOU CAN USE
Doug Anderson, Secretary/Membership Chair

The media knows that disasters and crises “sell,” but Wall Street knows that a period of stability improves the financial markets. Let’s talk investment strategies. FBYC’s stock is on the rise both nationally and locally. An FBYC investment strategy will help you reap maximum returns on your membership. The investment vehicle is participation. Here are four steps you can take immediately to grow your portfolio:

1. Invest in our 75th anniversary membership initiatives by recruiting one new member. These special 2014-only opportunities pay an immediate dividend to the new member and to you as the sponsor. Through May we have gained 21 new members; that surpasses our normal annual attrition of 15-17 members. We’re in positive territory now. You will be pleased you made this timely investment.
2. Really get involved in one or more of our four sailing divisions—Cruising, One Design, Junior, Offshore. Take a leadership-service opportunity, which will net you an insider’s view of how things get done, decisions get made, and outcomes get achieved in our all-volunteer organization.
3. Ask for opportunities to serve in one of our two major regattas, Annual One Design or Stingray Point, even if you are not a racer. The payout here is a deeper involvement in the life of the FBYC, along with a heightened sense of having a meaningful role as a member. And you will experience a substantial return in the friendships formed through these opportunities.
4. The Leukemia & Lymphoma Society Regatta is truly one of the best investments you can make. It pays dividends that have resulted in a succession of new treatments with dramatic results. According to recent reports the survival rate today is extremely good, thanks to the research funded by this Regatta nationally. Two of the most successful fund raisers nation-wide are Club members Diane Simon and Carolyn Norton Schmalenberger. Join their team, or contribute directly, participate in this Regatta (sign up now on the Club web site). In recent years FBYC has been recognized as a leading supporter of this event. Investing in this fundraiser will yield a significant ROI.

MEMBERSHIP / VOLUNTEER SPOTLIGHT

Here's the Prospectus: the concept of an FBYC investment strategy is really no different than the concept of investing in your relationships, or investing love in your children. It's the same idea as an investment of time and energy in your job, your avocation, or your education. What accrues to you in the process is appreciated well-being, with assets that pay dividends for years on end. Fly your club burgee proudly; your earnings will do more than repay your participation. FBYC is a solid investment.

How to Join FBYC! Prospective Members are encouraged to see membership info on the Club website (fbyc.net). On the top line above the Logo, see "How to Join FBYC." FBYC welcomes applications for membership.

18 New Storage Lockers Are Ready!

Our old lockers on the side of the East Bathhouse go back to the 1960's and are WELL past retirement age.

As a Club project, 15 members donated from 1 to 3 days in constructing 18 new 4ft X 4ft lockers over a 4 day period in April. The lockers will have a \$60 rental for the remainder of this year and an annual rental of \$120. These lockers are designed to be as watertight as possible and keep out the larger critters such as mice.

Our new lockers are 100% leased. If you would like one of three available older lockers please let Ted Bennett know as soon as possible at tbennett@ideaweavers.com. I would also like to hear from you if you would like to get on a waiting list for additional lockers to be built sometime in the future.

Special thanks to the talented and HARD workers on the job: Amanda & Paul Almany, Doug Anderson, Rick Bauer, Dacre & Helen Walker, Don Wickwire, Ed O'Connor, Dick Cole, Jim Raper, George Burke, George Pongonis, Jere Dennison, and Willard Strickland.

Volunteer Highlights: Jere Dennison

Museums hire archivists, curators and historians to maintain their collections, but FBYC has all three wrapped up in one with our own Jere Dennison. From the days of Mac Wellford's scrapbooks in the 1940's and 50's, to the preservation efforts of Wayland Rennie in the 1980's and 90's, FBYC has always celebrated its share of colorful characters and notable events, but when Jere took over as Club Historian in 2001 he created new dimensions to the role: those of narrator and scribe. How often have we been amused and amazed by his "FBYC Then and Now" series in the LOG? And how much, unknowingly, have we enjoyed the ambience created by the wonderful artifacts and photos on the walls of our Main Clubhouse or the books in our second floor library? All of these are the fruits of Jere's labors. With 75 years of memories to preserve, being FBYC Historian is now almost a full time (volunteer!) job, and Jere handles it like a pro.

But these are not Jere's only gifts to FBYC. Older members will recall that Jere was a junior sailor hotshot in the 1950s, a skilled offshore racing crew member in the decades that followed, Log Streamer once upon a time, and ultimately one of the Club's youngest Commodores in 1975.

Jere's personal quest to keep FBYC's history alive is about to culminate in a new 75th Anniversary Book celebrating our past in photos, old news articles, and updated tales told only as Jere can. Stay tuned for this tome's arrival-supplies will be limited.

Thank you, Jere. Your efforts mean even more to us than you may realize.

JUNIOR

JUNIOR FUN SAIL FOR ALL AGES!!!

The name says it all! On July 26 the Junior Division will host a Fun Sail for kids of all ages. We especially want all of the non-racing families out sailing and having fun. The club hopes it is so successful that we have to add additional dates this summer and fall!

We are planning an afternoon of fun and adventure in the club's Optis, Lasers, and 420s, led by an experienced instructor. Activities will include watermelon races, backward races, blindfolded races, a scavenger hunt and cruise to Stove Point to swim. Older "kids" are free to explore on the Lasers and 420s. Our Fun Sail will have much of the fun of Junior Week but without the classes. There is something for the whole family!

At the end of the day we will meet back at the pool for pizza, ice cream and swimming. We want parents to join in the fun, to assist and be ready to get wet! Bring a kayak if you have one. Anyone for a kayak race?

Please pre-register on line at www.fbyc.net at the Events Section on the home page. Sailors should provide their own PFD, water shoes, sunscreen, and a water bottle. We will provide snacks and pizza. Sailors may bring their own boat or sail a club boat. For additional information, please contact Paul Almany at palmany@verizon.net.

Who doesn't want to have FUN?

HOW MANY JUNIORS AND THEIR FAMILIES?

The Junior Division will rock FBYC in June!

We will kick off the month by hosting the University of Virginia Sailing Team for a three day practice May 31 through June 2. They will be in training for an upcoming competition in Annapolis.

Opti Kids, hosted and taught by Paul and Julie Ann Wash, will run the first two weekends in June: June 7/8 and June 14/15. It will include an ice cream social and a catered cookout.

Also starting their season on June 7, and running through the summer, will be the Opti and Laser Race Teams. The Opti Development Team will start their season on June 20. The teams will have a kick-off dinner on June 7.

Next up will be the Commodore's Dinner on June 15, followed by Junior Week from June 16 through June 20, hosted by Doug and Jennifer Bendura. Included will be a catered dinner on June 19 for approximately 350 people!

June 21 and 22 we will host the Commonwealth of Virginia Junior Championship Regatta. Last year we had 95 boats from as far away as New York!

If that is not enough for you, we will also be offering Private Lessons throughout the month by appointment.

That means we will be hosting over 500 different people at the club in June!

If you do not have a junior sailor, or your junior is too young to sail, please come and visit and see the juniors sailing. But beware - we may put you to work!

FBYC Team Formed for NYYC USQS

For the third time, FBYC will be represented in the New York Yacht Club U.S. Qualifying Series for the Invitational Cup, one of the most prestigious Corinthian events in sailing. This September at NYYC's Harbour Court in Newport, RI, our club will be represented by Clark Dennison, Skipper, and Scott Collins, Caroline Garrett, and A.L. Braun. The Team has begun practicing in J70s and will enter Southern Bay Race Week as part of their warmup.

FOR SALE – 1997 19' KEY WEST 1900, 135 HP Mercury OB, Rebuilt 2013, new water pump and engine lift. \$7,900 call Matt Braun 804-640-3184

FOR SALE - Colgate 26 "Blue Moon " 2005. 4 sets of sails (2 new), 2 x 155% Genoa, 2 spinnakers. Dry storage each winter at Norton's. New bottom paint in 2013 and awlgrip wax each year. Custom winter cover from the Ship's Tailor. Triad custom trailer with electric brakes. Recent small "Nose job " after kissing *Nereid*. Excellent, well cared for, stable all-around boat.
Walter Bundy, Cell: 804-337-2621

FOR SALE - C&C37 "Wavelength", \$46,000
"Wavelength" has been actively involved in club events for more than 30 years, so you likely know the boat! We've had a great run, but it's time for us to move on. "Wavelength" is a comfortable cruising boat for families that sleeps 6-7, yet has proven itself to be a competitive racer as well. Recent sails, lots of amenities, and an amazing amount of extra equipment and spares. See it on the east dock. Inquiries welcome. Nothing would make us happier than for it to remain at FBYC.
