

FROM THE QUARTERDECK

APRIL 2016

SPRING INTO SAILING

Spring has arrived! The signs are everywhere; trees are budding, grass is greening and flowers are coming up. One of the first signs of spring at FBYC is the production of our combined "2016 Year Book & Sailing Events Program." This book is now in the hands of our printer and should be in your hands before Opening Day (Saturday, April 9). Many people had a part in producing this book, but special recognition goes to Strother Scott and Nica Waters. Strother has developed a system that allows the sailing division heads to edit the information about each event on easy-to-edit web pages. And the content is then easily transferred to the Year Book. Nica has retired as our Log streamer but agreed to do again the editing for Year Book.

Each year the Commodore selects a boat or class to compete for The Fishing Bay Challenge Trophy. This year it will be the Offshore Division's - PHRF Non-Spin class. I

encourage offshore boats that have not yet tried racing to come out and compete for this trophy. If any skippers are looking for crew, Jon Deutsch, our One Design Division commander, has another large group of crew trainees in production. A meeting event for skippers looking for crew will be on **Tuesday, April 12** at The Virginia Power Boat Association. Details are on our website.

A number of us may be looking for a way to get out on the water this year, but do not care to race or do not have a suitable boat. The solution is to get involved with Committee Boat volunteering. A classroom training session on Committee Boat service will be conducted by Jim Raper, Offshore Division lieutenant commander, on **Saturday, April 30**. This will be followed up with on the water Committee Boat sessions during One-Design races in May.

FBYC has a large fleet of Flying Scots and we always are looking for crew and new racing skippers. The leadership of this fleet is conducting an orientation for anyone interested in sailing a Flying Scot on **April 30**. This event is open to anyone interested in learning and being introduced to a Flying Scot. Participants will be given an overview of the boat on land and a chance to crew on one with an experienced skipper. This will be a low-key way to try a new boat.

Details on these events and many more are on our website www.fbyc.net. Your club leadership is dedicated to finding ways for all members to have another great year at Fishing Bay Yacht Club. Enjoy this spring weather and get ready to go sailing! ~ **William T. Bennett**

OPTI DONATED TO DELTAVILLE MARITIME MUSEUM FOR FBYC EXHIBIT

This spring visitors to the Deltaville Maritime Museum will see some familiar history on display among the nautical history of the area. Club historian Jere Dennison and several other volunteers have been working with the Deltaville Maritime Museum to include an exhibit on Fishing Bay Yacht Club that will include pictures, stories and other artifacts like an Opti and even one of old Club signs.

On March 11, an Opti donated by Luke and Logan Hayes was set up at the Deltaville Maritime Museum by Mark Hayes and Doug Bendura. The boat is a 1981-1982 Opti built at the North Carolina Maritime Museum and used in their junior program until 2005 when it was bought by the Hayes family. Luke and Logan both learned to sail on the boat and it was used at FBYC through junior week in 2015. Today it became a permanent part of the Deltaville Maritime Museum FBYC exhibit.

As this exhibit comes together, the membership will have an opportunity to inaugurate this display and express their gratitude to the Deltaville Maritime Museum on **Saturday, May 28** from 6 p.m. to 8 p.m.

J/70 SPEED CLINIC WITH ALLAN TERHUNE

Allan Terhune joins Quantum as Global One Design Director. Courtesy photo.

Fishing Bay Yacht Club Adult Sailing program is pleased to host a J/70 speed clinic on **Sunday April 10** at Fishing Bay Yacht Club. Our clinic instructor will be Allan Terhune of Quantum Sails. Allan will join us to discuss rig tune, boat preparation,

speed tips and more. The onshore instruction will begin at 10 a.m. followed by on the water practice session and concluding with debrief session and social around 12:30 p.m. Everyone is welcome. We are encouraging all boats to be rigged and ready with crew in attendance at 10 a.m. Please contact Matt Braun at matt.braun@thalhimer.com to RSVP by **April 6**. Feel free to contact Matt or Adult Sailing Director Karen Soule karen.soule@gmail.com with any questions or comments.

Terhune's one design sailing resume is impressive with a J/22 World Championship to his credit as well as 11 North American Championships including the Lightning, Flying Scot and Thistle classes. Terhune has also turned in top performances in the Etchells, J/80 and J/70 classes. In 2007, Terhune was awarded US Sailing's One Design Leadership Award and named Rolex Yachtsman of the Year Finalist in 2008 and 2013.

THIS ONE'S FOR YOU

We belong to the most fantastic yacht Club on the bay—bar none! Where else can you:

- Learn a skill and live a lifestyle
- Hone those competitive instincts
- Develop life-long friends
- And raise your children to do all of the above?

But sometimes, for many good reasons, we get focused on just one, singular aspect of our life at FBYC. When was the last time a cruiser jumped aboard a one-design and crossed the finish line ahead of the fleet? Have your junior sailors ever said they wanted to go search for dolphins instead of sailing alone in an Opti? Have you ever skipped

a long-distance cruise because you needed more crew to sail through the night?

This isn't a problem. It's an opportunity to branch out and experience all the different activities, people and programs that make FBYC such an important part of our lives. That's the goal of the **Adult Sailing Program**—to encourage members to get involved in a wide variety of activities, instead of just one or two. It strengthens our Club, expands our knowledge...and most importantly...increases our fun together.

I'll be reaching out to all our members over the next few months, asking what you'd like to do that you normally don't. Want to go on an overnight cruise to Yapps Cove? Let me know. Want to learn how to rescue a HOB? (that's husband overboard!) Let's practice together. Want to know what ginger beer makes the best Dark 'n Stormies? We've got a recipe for that.

We've all got our "anchors" set somewhere in the Club. Yet it's always good to drop them in new waters from time to time.

Is there something new you'd like to do? Let me know and we'll explore new anchorages together.

AN INSIDER'S VIEW OF KEY WEST RACE WEEK 2016 ABOARD WICKED

Key West Race Week, hosted by Storm Trysail Club, took place January 17-22, 2016. It was a wet and wild week of top class boats competing in four Divisions on the Coke bottle green waters of Key West. With weather conditions described by Commander Weather as "juicy and unstable," it was just that. Predictions of 8 knots to 15 knots fell short; in reality 20+ knot breezes with close, steep chop seas were the norm for the week. Four courses of 130 boats participated. Hailing ports sounded more like a fast-paced trip around the globe than a typical local regatta. California to Virginia, Brazil to Massachusetts, Russia to Italy and many ports in between.

Race Course 1 consisted of Maxi 72, IRC1, IRC2 and J/111. FBYC member Carrie Russell crewed aboard *WICKED*, a J/111 South Dartmouth Massachusetts boat, dark green hull #30, owned and skippered by

RACING

Doug Curtiss. The New England-based crew, with ample seamanship experience and good nature, made for a fun week. Stu Johnston, brother of FBYC member Drake Johnston, was aboard along with other stellar sailors regular to the *WICKED* crew. The crew gelled as the week progressed. Team work, the ever important piece of the racing sailor's puzzle, along with rig tune and tactics made for daily learning opportunities. It was a fantastic experience with solid people and a splendid venue. Big or small regattas, crew advice is the same: show up prepared, on time and with a winning attitude and you will be asked back.

Of course, showing up with bottle of Russell small batch bourbon, Hubs peanuts may have been helpful too...on to the NOODS!

FLYING SCOTS IN EUSTIS GREAT START TO 2016!

In case you didn't know, Flying Scots are huge in Florida! In fact, this past February John Wake and Rob Whittemore attended a 41-boat weekend regatta at Lake Eustis, northwest of Orlando.

41 Scots on the starting line. Photo credit: Randall Moring

We have been heading down to Florida the past few years to participate in as many events in the District's series of events that runs throughout the winter. Not only do these trips allow an escape from the cold, but we get to race against some of the top teams in the class with whom we also have become great friends.

After a tricky first day, we were sitting in 14th place. Sunday was better as we ended the regatta with a 2nd and a 6th, which was good enough for 2nd for the day and moved us up to 10th for the event. While we missed the podium, we were able to get back out on the water against great completion and catch up with some great friends. It was a great way to kick off our 2016 season!!

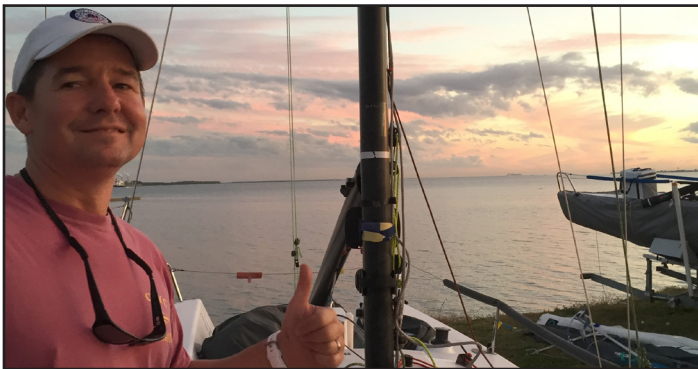

2016 is a big year for the Flying Scot fleet at FBYC!

As you may have heard, Fishing Bay is hosting the Wife Husband Championship, **June 11-12**. A team from as far away as Texas has already registered! This event, which is one of four sanctioned championships in the Flying Scot class, is truly a unique event and one not to be missed! If you are looking for a boat, please reach out to John Wake or Rob Whittemore. We know some good boats that are currently for sale.

Interesting in learning more about the Scot? On **Saturday, April 30**, our Flying Scot fleet will be offering a program for anyone interested in learning about the Flying Scot. Participants will be given an overview of the boat on land and a chance to crew on one with an experienced skipper. This will be a low-key way to try out a Flying Scot.

Come join the fun this coming season!!

RACING

DAVIS ISLAND YACHT CLUB QUANTUM J70 WINTER SERIES 2015-16

The J/70 fleet is experiencing historic growth and this shows with well attended regattas at many venues from coast to coast. Just three and a half years after delivering hull # 2 to Fishing Bay Yacht Club as a demo boat, J-boats is expecting to deliver hull #1000 this spring. Our own Fleet 5 continues to grow with the addition of a talented

team lead by Holly Graf (*Spice*). Several teams have continued the tradition of going south for the winter Noel Clinard Team (*Loonatictu*), Matt Braun (*E.L.E.*) and Holly (*Spice*) competed in the Davis Island Yacht Club Winter Series from December to February. While the Troutman family (*Pied Piper*) continues their time in the spotlight with more notoriety and stellar finishes in this talent heavy fleet at Key West Race Week, Charleston Race Week, J/70 North American Championship and J/70 Worlds in Rochelle, France.

Davis Island Yacht Club has done its part in keeping winter sailing at capacity by offering one of sailing's best regatta values. This is the third year of a series that has grown in stature and popularity. This year DIYC has been the home base for 50 boats and 71 top teams from early December through February. Davis Island Yacht Club is known as the "sailingest club in the south." This year's series offered the best of all conditions in a total of 18 races with wind ranging from 6 knots to 30 knots.

CRUISE INTO SPRING

The first cruise of the 2016 season will be to the Mathews Yacht Club, coinciding with their opening day "Flag Raising" ceremony on **Saturday, April 30**. The event will feature dinner

and dancing after the opening ceremonies and requires a coat and tie. Mathews Yacht Club is just a short sail from Fishing Bay, providing an ideal "shakedown" for the first cruise of the year. Stutts Creek offers a good anchorage, and slips will also be available at the Club. Plan to join cruisers for cocktails at Fannie's House on Friday night, and depart for a pleasant sail on Saturday. The MYC restaurant also serves a great Sunday brunch, which can be enjoyed prior to the return sail to FBYC on Sunday. Make your reservations early at www.fbyc.net or contact John Koedel Jr. at jkoedel@hotmail.com or call (804) 776-6168.

Our second cruise of the season, **May 13-15**, will visit to the quaint, historic town of Onancock on Virginia's Eastern Shore. This cruise will be preceded by dinner at Fannie's House on Thursday night, May 12th, beginning at 6 p.m. The sailing will begin on Friday with the Chesapeake Bay crossing, and you may choose to reserve a slip at the Onancock Wharf and Marina, or you may anchor out nearby. However be aware that the water is shallow once you get beyond the main channel. We plan to stay for two nights and to sail back across the Bay on Sunday morning. Register at www.fbyc.net. Contact: George and Frances Sadler at georgeosadler@gmail.com or call (757) 481-4322 (H), (757) 343-9890 (C).

We have multiple events planned for June, including a short distance weekend trip to Urbanna for the Arts in the Middle Festival, an extended Chesapeake Bay Summer Cruise, a long weekend cruise to

Cape Charles, and for the offshore cruisers, a month-plus New England Summer Cruise! Planning information for these trips is on the Events>Cruising tab on the website.
