**JULY 2018**

### **SUMMER IS HERE!**

Summer is now in full swing and the Club is certainly a hive of activity! Our Open House Regatta over Memorial Day Weekend was another great success, even though we were unable to complete the sunflower raft-up. Thanks to Bev Crump for being the master of the raft-up and once again to Team Cahill and their volunteers for putting on a great party!

As I write this article, Opti Kids has concluded, the various Junior Race Teams are practicing for a busy summer, and everyone is busy prepping for Junior Week. Yes, the Junior Program is demanding (don't worry, the kids are having fun!), both in terms of finances and our volunteer resources, but we must remember that the program is an investment in the future of our club. It is great that our junior sailors are having so much success on the national and international stages. That success is attracting new memberships to the Club.

However, we must not lose sight of the long-term goal of our program—creating sailors (and FBYC members) for life. As I have said several times over the past few years, I am an example of how it is supposed to work. I was an active junior sailor who transitioned onto the Board later, and who now has a child participating in both Opti Kids and Junior Week this year.

Once the dust settles from Junior Week, our **Friday Night Socials** will again be cranking up for the remainder of the summer at the Club. Stop by on your way into town and enjoy a drink with your fellow members to kick off the weekend! This summer, we will also be doing something new. The YAM Program will be sponsoring **movie nights** this summer. Please be on the lookout for details!

The **20th Annual Leukemia Cup Regatta** is coming up on July 13-15! Hopefully by the time you are reading this, you have already signed up and raised a pile of money to contribute to this great cause. If not, there is still time. Over the past few years, the amount of money raised has been in decline. Please do your part to reverse this trend. If you aren't sailing, please make plans to attend the gala and auction on Saturday night at the Deltaville Maritime Museum.

**AOD and Stingray Point Regattas** are on the horizon, as well. Becca Doncaster, Massey Whorley, and their organizing committees are hard at work preparing for these two great events. Make your plans now to participate in both of our signature events. Don't have a boat to participate in AOD and/or Stingray Point? Take the opportunity to sign up as a volunteer for either or both events. It truly takes a village to put on these events and the more hands we have, the lighter the load!

Finally, I have talked several times about the need to always be recruiting new members to the Club. This year, we are going to have a contest and award those who recruit the largest number of new members. At the Commodore's Ball in November, we will be awarding gift certificates to the top three winners in the contest. So get out there and start recruiting!

**FISHING BAY YACHT CLUB - BOARD MEETING**

June 14, 2018 – Retreat Hospital

**HOUSE CHAIR – Stephen H. Montgomery:**

**Bath House Upgrades:** We will be concentrating on the porch after Junior Week. Repairs are being completed now. The floor will be finished next and then furnishings redone or replaced. Up to this point in time our progress has been limited by the priorities of opening up so timing is open. Over the summer we will hope to complete other miscellaneous repair work and painting on the outside of the building as the summer crew can get to it.

**Other:** We sought painting bids for exterior work on the Club House and other miscellaneous areas, but painters are way behind due to the weather. We are waiting on a price from Busy Bee and will likely move forward. The roofs on the two walk out porches will be painted as soon as the fiberglass repairman can arrange it. Bathroom repairs have been made inside now that the new roof is on the Bath House and leaks have stopped.

**DOCKS CHAIR – Mayo Tabb:** Mayo reported:

1. All slips are leased, and boats are moving in;
  - a. 5 boats on the waiting list – 33', 37' and 3 at 44 feet
  - b. 4 boats on Priority list for transfer to East Dock
2. Brad Miller added two new white poles to mark edge of dredging so to aid boats entering from the east
3. I converted inside west side of East Dock (slip #1) to a usable slip by installing end guard, rub rail and 3 stainless steel cleats – trying to find a boat that will fit as finger pier is short
4. Purchased and delivered 4 Taylor Dock carts. Will see if they are sufficient or we need to order two more
5. Slip list holders updated at head of each dock and show current slip holder
6. Installing one ladder in middle slip as trial and it has worked and I will install second on back of mid power panel

**SOCIAL CHAIR – Geoff Cahill:**

All is ready for 4th of July event on June 30. Next event on my calendar will be the Closing Day regatta and Oyster Roast. Will need to find a replacement for Dixon for obtaining and preparing the oysters. Getting confirmation from Commonwealth Club for Nov 17 Commodore's Ball.

**GROUNDS CHAIR – Helen C. Walker:**

The grounds are looking very nice now that the grass cutting is getting more on schedule. We have planted annuals and shrubs around Fannys, the sign, the pool and main club house. We have planted all but a few shrubs that needed to replace the trees taken out on the Jackson Creek side. We still need some more color and mulch

around the bath house. We have implements for the tractor and have replaced an old weed eater. The dingy rack is full, and all have been accounted for. Please contact Helen Walker if you want to be put on the waiting list for dingy or kayak storage.

**LONG RANGE PLANNING – David S. Hinckle:** David stated: Jordan MacLellan was hired as an intern / lifeguard this summer. In addition to her normal duties she has been taking pictures at our events and posting them to our Flickr account. Look to see more photos of our events online in the coming weeks. She will be working during Junior Week. This is a test of the feasibility of using paid staff for this function.

**CRUISING DIV. CDR. – John P. Galloway:**

Our next cruise is a Captains Choice event scheduled for July 6-8, hosted by Jane and Gordon Cutler. We are looking forward to a break in the stormy weather conditions that have hampered the starts of our last two cruises.

**JUNIOR DIV. CDR. – Mark Wensell:** Mark reported:

**Race Teams:**

- All three Professional Coaches have arrived and commenced practices
- Race Teams began practice on Sat 6/9 and will sail six days a week through 8/13
- 29 confirmed sailors
- Would like to recruit additional 420 sailors - exploring new team membership options

**Opti Kids:**

- Tim Feehan did a fantastic job as lead instructor and was supported by coaches Trent and Garrett Levy

**Junior Week:**

- Special thanks to Melanie Mason for leading with assistance from Julie Ann Wash, Joanna Wensell, and Jennifer Bendura

**Development Teams:**

- Elizabeth Staas is leading
- Coached by Trent and Garrett Levy
- Preliminary schedules developed and distributed
- 6 sailors registered

**Annual Junior Regatta:**

- Will Angus is leading with Charlie Brewer and Jim Raper as PROs
- Catering, Shirts, Trophies have been ordered
- Key volunteer roles filled however still in need of additional volunteer support.

**Equipment:**

- Much appreciated help by Brian Ankrom in finalizing

**MINUTES**

trailer and boat preparation

- New RIB has cleared customs and is in-route. Hoping to have it delivered for Junior Week, but more likely for the beginning of Development Team practice the following week. Member Carlton Goldthwaite has been coordinating.

**ADULT SAILING PROGRAM – Karen Soule:** Karen reported: There are three areas of focus:

1. We continue to assess the feasibility of acquiring another club-owned boat, always keeping paramount the strategic goal of using these boats to drive increased membership. To date, approximately six members have reserved and used *Scot Free*; none of them new members. There have not been any conflicting reservations. Brian continues to monitor this by responding within 24 hours to a reservation request.
2. Notice for the FBYC-sponsored Annapolis Boat Show Bus Trip, Thursday, October 4 has been published. Website link for reservations and payment is being developed. Cost is \$35 per person plus the cost of boat show ticket on VIP Day of \$35.
3. Our third annual Women’s Sailing Weekend is set for September 21-23. Actively recruiting additional women skippers and boats to determine available berths and then recruit more women sailors. Encouraging non-FBYC members to sail with us.

**GENERAL MANAGER – Brian Ankrom:**

**The following tasks have been completed since the last Board Meeting:**

<b>Adult Sailing</b>	<i>Scot Free</i>	Clean & detail
<b>Docks</b>	Bulkhead	Commission pump out stations
<b>Docks</b>	Bulkhead	Install new cleats by Dry Sail & Crane
<b>Docks</b>	East Dock	Repair water leak
<b>Docks</b>	East Dock	Install new cleat
<b>Docks</b>	F.B. Dock	Clear tracks on Small Lift
<b>Fleet</b>	Wildcat II	Commission boat
<b>Grounds</b>	Dumpsters	Order fourth dumpster for busy season (Memorial Day through Labor Day)
<b>Grounds</b>	Pool	Commission & open the pool
<b>House</b>	Bathhouse	Repair men’s toilet
<b>House</b>	Clubhouse	Replace broken doorknob on Screened Porch, East Entrance
<b>House</b>	Tent	Clean, repair, & erect tent – Contractor is cleaning the tent
<b>Juniors</b>	Junior Week	Order porta-potties

**OLD BUSINESS:** Dr. George Burke, III proposed a low visual file cabinet be added in the Austin Memorial Library to hold FBYC Archives, also to update the furniture; such as adding a reading chair and a rocking chair. The Library is currently being used as storage and needs to be updated to function as the FBYC Library. It needs at least 5-person seating for Protest Chair.

Commodore Robert Whittemore asked Joe Roos to form a committee to bring forward recommendations on how to incentivize members to bring in new members. The Committee formed are Karen Soule, Mary Catherine Ciszewski, Steve Montgomery and Joe Roos. The committee looked at approaches to further encourage existing member’s efforts in new member recruitment. Recommendations to strengthen efforts through three avenues were brought to the board for discussion:

1. Raising awareness among the current membership including articles in log and weekly email on membership.
2. Make it easier for members to share informant, answer questions about the club – work on club information and post on a recruitment page on web site.
3. Recognition to continue to build visibility of this important role for club vitality – recognition of sponsors at year end with special note to sponsors of multiple members and an award at end of year for sponsor with most new members

After discussion, the committee will proceed down the three paths and will firm up specifics around awards by July meeting.

### **FBYC IS BEST OF THE BAY!**

The honors just keep coming for Fishing Bay Yacht Club! Our Club was recently named by Chesapeake Bay Magazine as one of the Best Learn to Sail and Best Advanced Sailing programs in Virginia! Thank you to all of our staff and volunteers who make the FBYC programs so amazing! Check out the full list of winners online at <https://www.chesapeakebaymagazine.com/features/2018/bobboating>.

### **NANUQ TAKES THE GUN IN BERMUDA!**

Congratulations to Glenn Doncaster and the crew of *Nanuq* on their first-place finish in the Newport-Bermuda race! Glenn and Crew made the 635 nautical mile trip in 110:34:36, which translates to four-and-a-half days on the open ocean. Their corrected time came in at 80:41:04, which took top honors in Class 6 by more than twenty minutes on corrected time.

## **NOW IS A GREAT TIME TO INVITE A FRIEND TO JOIN FBYC**

Fishing Bay Yacht Club is a vibrant sailing club with outstanding sailing and social programs. Our membership has built a robust sailing community and maintains a friendly, open atmosphere. An important aspect of this success is the consistent inflow of new members, individuals and families with an avid interest in sailing and boating, new ideas, and the desire to join a sailing community. The greatest opportunity to identify potential members and share the value and beauty of FBYC lies with our current membership. As we move into the summer months, we are looking to further build on the efforts of our membership to identify and recruit new members.

As a start, tell your friends and family about FBYC and help them discover the Club:

- Take them sailing.
- Share the diversity of opportunities at FBYC: racing big boats or one-designs, opportunities to learn to sail and crew racing boats, junior and adult activities, young adult focus, cruising, day sailing, the pool, Race Committee, the waterfront, and a range of social activities.
- Invite them to tour the Club. Brian or I would be glad to meet them and help with a leisurely walk about.
- See if they would like to crew – there are always openings for eager and interested crew.
- Invite them over to the Club and treat them to an afternoon enjoying the facilities – cook some burgers and soak in the scenery.
- Bring them to a Club event to enjoy the friendly, welcoming atmosphere.
- Offer to sponsor them for membership.
- Get them in contact with me ([membershipchair@fbyc.net](mailto:membershipchair@fbyc.net)) if they would like to learn more about membership or any other aspect of the Club.

One last item: Bringing new members into FBYC is one of the most important things we, as members, can do to ensure the continued vitality of the Club we love. As such, we will be recognizing in a number of ways the sponsors of one or more new members in the 2018 year (Dec. 2017 – Nov 2018). There will be some special awards for sponsors of multiple members, including the top sponsor. Stay tuned for more on this next month.

From young families to retired couples to singles, FBYC membership delivers an exciting range of activities and opportunities around sailing and fellowship for everyone.

## WELCOME NEW MEMBERS!

### **Jon and Kathleen Spaulding**

**Kadunc** - Richmond VA: For the past 15 years, the Kaduncs have lived in the coastal town of Manchester-by-the-Sea on Cape Ann in Massachusetts, where their son John Paul learned to sail. Although they both had some sailing exposure growing up, it was their time in Manchester-by-

the-Sea where they acquired a deep appreciation for the sport and the aquatic life. Their son loves to sail and was in the junior program in the Manchester Sailing Association, they loved being a part of that community. They are looking to find a similar experience in Fishing Bay, where they can get their kids out on the water again, and where they can volunteer their time with a fun program! *Sponsors: Mark Wensell and Elizabeth Staas*

**Michael Dion Davis-Ruskovitz** - Hudgins VA: Michael is a Freshman at Rappahannock Community College. He owns a 19-foot Front Runner, and he has experience in large yacht racing, small dinghy sailing and long-distance cruising. Michael wishes to join FBYC to further his sailing career and gain new exposure with aspirations of testing his skillset. *Sponsors: Austin Powers and Jerry Latell*

**Mark F. Bellino - Deltaville VA:** Mark has been active in the FBYC racing scene for quite a while, sailing with Miles Booth for five seasons. Mark is a retired Navy Boatswains Mate. He is also retired U.S. Coast Guard and U.S. Merchant Marine; he has had many years at sea, is an excellent boat handler and is skilled in boat maintenance. He plans to bring this experience to bear this year at FBYC as he has recently purchased a Tartan Ten. *Sponsors: Frank Murphy and Miles Booth*

**Duane and Tracey Ragsdale** - Richmond VA: Duane and Tracey have enjoyed many wonderful times at FBYC over the past 20 years as a guest of several members. Duane has been active on the Bay and its tributaries all his life on both sail and power boats recently sailing aboard a Hunter 31. They have purchased a Beneteau 43 which will drive their active use of the club and participation in its events. The combination of a vibrant membership and top-notch amenities make FBYC tremendously appealing. *Sponsors: Matthew Jenkins and Vanna McDonald*

## LASER SEASON IS HERE! BY TOM ROBERTS

On June 10, in spite of constantly changing weather forecasts that were not favorable, 11 adult Laser sailors and 8 Juniors came out to race. The sun came out during the skippers' meeting, and we were off to get in 5 races using the H3 course in 5-8 mph winds coming from due east to ENE.

The starts were crowded and after an over early at the pin end, Charles Brewer came back to still win the first race. The second race had a general recall, after which the starts got more conservative. Charles and a few others decided to come in slightly late at the boat end then tack over to port for the rest of the races, and that strategy paid off. Charles won all five races, with Brad Squires and Clark Dennison coming in at second and third overall (including a 16th place finish that Clark had in the first race because he started late). Chad Patton of Hampton Roads Sailing Club (at Old Dominion) finished fourth, Frank Patch fifth and Mike Toms sixth. A special shout-out to Michael Davis-Ruskovitz of FBYC, who was sailing his first Laser races, which is always a baptism by fire! The racing was full of crowded starts and mark roundings, and they all ended with close finishes. It was excellent one-design racing.

Tom Roberts served as PRO, with Blackwell Nottingham setting marks and calling the start and finish lines. They were assisted by Katie Roberts on flags and scoring and Mark Mills timing and setting marks.

**LASERS / FLYING SCOTS**

**FS FLEET 103 TRAINING OPPORTUNITIES**

Mark your calendars and register online for two great one-design training opportunities:

- Women’s Training Clinic : July 7 (Contact Caroline Garrett)
- Flying Scot Training Day : August 4 (Contact Ron Jenkins)

Both are morning events, paired with an always popular, laid back afternoon Sea Breeze Regatta. Learn in the morning, practice skills in the afternoon. Contact Caroline Garrett for details regarding the awesome women’s event. The Flying Scot Training Day is FOR EVERYONE. WE ESPECIALLY ENCOURAGE FAMILIES WHO WOULD LIKE TO SAIL WITH JUNIORS, as well as skippers who would like training for crew (wives, friends, whatever) and anyone who wants to learn more about the Flying Scot and small-boat sailing.

Our head trainer is John Wake. John will start us out with rigging/tuning assistance on shore, then offer advice from a coach boat on the water. John is highly accomplished in all aspects of Flying Scot racing, and can help even all levels. We will enlist others to help as needed based on the needs of the students.

Please help us tailor the day to your special interest by sending the following information to ronj1790@gmail.com:

1. I have a boat to sail Yes\_\_\_, No\_\_\_
2. I need help with rigging/tuning Yes\_\_\_, No \_\_\_
3. Past dinghy sailing or racing experience ? Racing \_\_\_\_\_, Day sailing \_\_\_\_\_
4. What I want to learn/practice on training day.

**PATUXENT RIVER CRUISE  
TAD THOMPSON AND JOHN GALLOWAY**

The Patuxent River Cruise started on a very wet Friday evening in Fannie’s House, with a delicious dinner of fried chicken and barbecue spare ribs from the Deltaville Market, with side dishes provided by the participants. Leftovers were divided up among the eight boats that were slated to depart Saturday. On Saturday morning, confronting another dismal, soggy forecast, only four boats elected to leave the dock: SWIM CALL (Thompson), SOUTHERN CROSS (Galloway), MISS KATE (Sakowski), and MATIRA (Walker). The others elected to drive to the Patuxent Naval Air Station for the Sunday night dinner and Monday base tour.

Sunday, a pleasant breeze filled in from the west-southwest; it was one of the nicest sailing days on the Bay in memory. Three boats made it to the West Boat Basin at Naval Air Station Patuxent, where dockmaster Mardy helped us tie up to their very nice new floating dock. Marta Bullis, head of protocol, picked us up and took us to Mattapany House (built c.1740 by Lord Baltimore) for a lovely dinner with Vice Admiral Paul Grosklags and his lovely, energetic wife Cathy Calhoun, where we feasted on their homegrown pork barbecue and brats.

The next morning, the Admiral and his wife personally escorted us around a tour of the air base where we saw all the latest variety of attack, transport, and anti-submarine helicopters, as well as the F-35 stealth fighter-bomber, the airfield control tower, a hi-tech electronics warfare project, and of course the world-renowned Navy test pilot school. We were all most impressed with the competence and cordiality of all of our Navy hosts. After the tour, we all enjoyed a late lunch at Riverside, the base dining facility.

## CRUISING / ADULT SAILING

**WELCOME ABOARD! (THE BUS, THAT IS)**

Want to get your boat envy elevated? Or maybe you need to purchase that needed equipment at reduced boat show prices? How about just spending a day with your fellow FBYC members “simply messing about in boats?”

If you answered “yes” to any of those questions, then be sure to reserve a space on the FBYC coach bus which will be traveling to the Annapolis Boat Show on **Thursday, October 4, 2018**. Thursday is VIP Day and is one of the best days to visit the show—there are smaller crowds and more time to walk the decks and visit vendors. The bus (complete with coffee and bagels in the morning) will leave from a central location in Richmond at 7 am. We'll arrive at the show when it opens around 10 am. We'll then return the same day—tired and sunburned, but loving our existing boats even more—around 6 pm.

Cost is \$35 a person for transportation. Boat show admittance tickets are also \$35 and can be purchased at the gate or online. SPACES ON THE BUS ARE LIMITED. You can reserve your seat for our journey at [www.fbyc.net](http://www.fbyc.net). Click on “Social” and scroll down to the “Annapolis Boat Show Bus Trip” link and sign up. And keep a look out for a special program or event that we'll be offering to those fellow land cruisers. See you on the water and on the docks!

**Scot Free is Waiting Patiently:** Not only do you own a piece of our beautiful waterfront—you own a Flying Scot, too. *Scot Free* is tied up at the Fishing Bay dock waiting for you to raise her sails and explore our waters. All you need to do is reserve the day you wish to use her. To do so, Visit [www.fbyc.net](http://www.fbyc.net). Click on “Sailing” then “Adult Sailing” to access the reservation form. Please read our policies (really just common sense) and fill out the reservation form, liability waiver, and float plan (so we know who you're out there with). You can pay the one-time, full-season charge of only \$100, which is good for the entire family, online, too. For new FBYC members, we waive the \$100 family charge for their first year.

If you have questions on how to rig a Flying Scot, check out the following videos:

## LEGACY OF SAIL REGATTA RENAMED JERE DENNISON LEGACY REGATTA BY PHIL WEBB

To honor Jere Dennison, whose dedication and hard work on behalf of Fishing Bay Yacht Club over many years and whose sailing exploits were numerous and outstanding, the Legacy of Sail Regatta has been renamed the JERE DENNISON LEGACY REGATTA. The genesis of the original event was primarily Jere's idea, and it is only appropriate that we honor his memory in this way. Information regarding the event will also be published in the August issue of The Log.

### JERE DENNISON LEGACY REGATTA Event Notice Saturday, August 25, 2018

**NOTICE** The event information below, used in conjunction with the General One Design Notice of Race, comprises the complete NOTICE OF RACE for the event.

**DESCRIPTION** This regatta is a one-day event for Classic Boats and Flying Scots by skippers 60 years of age or older (with the addition of other OD classes with three or more entries). In addition, skippers 70 years of age or older will compete for the Vintage Skipper Award, a first place award for the best overall finish by Division skippers in this age group. All skippers will compete in the 60 years and over age group. Seventy years and older skippers must designate their eligibility on the event entry form prior to the start of the first race. Skippers or crew will not be required to be members of FBYC. Crew may be any age but may not take the tiller during races except during an emergency, or the boat in question may be disqualified. - The Classic Division is open to any Classic boat design of 25' length or under at the waterline. The Portsmouth Yardstick D-PN Handicap System (<http://www.ussailing.org/racing/offshore-big-boats/portsmouth-yardstick/>) will be used to score finishes in the Classic Division.

A determination of a yacht's qualification as a Classic design and the assignment of ratings for yachts that may not have an official Portsmouth Handicap Rating will be made by the Regatta Organizational Committee. Therefore advance registration for those entering to race in this division is strongly encouraged.

**ENTRIES** Skippers must be at least 60 years of age on race day. Also, skippers wishing to compete for the

LEGACY OF SAIL REGATTA/ JUNIORS / YOUNG ADULT MEMBERS

Vintage Skipper Award, must be at least 70 years of age on race day.

**REGISTRATION** Advance registration by eligible boat skippers is expected at www.fbyc.net.

**LATE REGISTRATION, CHECK IN & Continental Breakfast** 0800-1000 at the porch of the main clubhouse.

**SKIPPER'S MEETING** Will be held at 1000.

**RACING** The warning signal for the first start will be at 1100 followed by up to 4 subsequent races.

**SOCIAL** Snacks and refreshments will be served following racing.

**AWARDS** Awards for each Division will be presented to the eligible boat skippers by the Event Chair shortly after the conclusion of the racing.

**YAM CORNER**

**July 6th - YAM "Movie Night Under the Stars!"**

Have you ever raced into Deltaville on a Friday to enjoy a perfect sunset at the Club, and then had to scramble and figure out what to do for fun with friends and family that evening before the Saturday Club events? Problem solved! On Friday, July 6th at 8:30 pm, bring your friends and family with picnic blankets, snacks, and drinks to come enjoy a movie on YAM's new outdoor movie screen at the Club! Actual movie selection will be the result of online voting by all members so, if you haven't already, be sure to join our YAM Facebook group by searching "FBYC Young Adult Members - YAM" and request to join so you can cast your vote!

**Biggest Memorial Day Cookout Ever!**

Not only was the weather absolutely pristine and burgers a perfect medium-rare, but the level of participation in this year's Memorial Day cookout was the biggest it has ever been! YAMs of all ages congregated by the grill around 6 pm to catch up on summer plans while basking in the beauty of our trademark FBYC sunsets over the Bay. This potluck-style gathering has become our unofficial kickoff to summer, and we simply cannot thank Jon Deutsch and Jess Hardin for spearheading this year's epic event enough! And special thanks to Massie Whorley & Family for managing the grill!

**2nd Annual Family Regatta another big hit!**

Driving into the Club on the morning of our YAM Family Regatta, there was a solid 12 knots of breeze out of the southwest fueling what was clearly going to be a gorgeous day on the water. You could almost feel the excitement and competitive tensions mounting from one family's boat to the next. Who was going to take the prize for top family? Taking to the Bay on time, we completed a sporty 3 races leveraging Portsmouth rating format. Eventually the wind built to a solid 15+ knots, which gave us all good reason to retire early, hit up the pool, and enjoy Deltaville's famous fried chicken. When all was said and done, our overall victors were Joe and Gabe Nelson. In second were John and Sharon Wake, with Parker Garrett and Company taking third. Special thanks go out to our fellow YAMs serving on Race Committee: Mary Catherine and Ian McAllister and Lud Kimbrough. And thanks to Sharon Wake for serving up the ultimate post-regatta meal!

## WAREHAVEN, GLOUCESTER, VIRGINIA

A hidden gem, nestled in a cove. This beautiful riverfront home, with wrap around screened in porch, is being offered to the market for the first time. This home features: a large private beach, striking waterfront views from almost every room in the house, and deep water for power and sail boat docking. The den features pecan paneling, with crown molding throughout and colonial, vintage Williamsburg chandeliers. A perfect family or vacation home with 4 bedrooms, 2 full and 1 half bath. Well located along the Ware River, Warehaven, on approximately 5.61 acres. This lovely waterfront home with stellar views, awaits its new owners.
