

FROM THE QUARTERDECK

DECEMBER 2021 / JANUARY 2022

LOOKING TO 2022

The 2021 season is in the books. We have only a single day left in the winter series. We spent time on the water and got back with fellow sailors at FBYC. We had regattas

and socials and new boat demonstrations. The Annual Awards and Commodores Ball were enjoyed by all and we have recognized the accomplishments of many of our sailors.

As members, we thank all our volunteers. Whether you helped with an activity, served on the Board, led an event, or pulled a trailer, Thank you. Volunteers are what makes all this run. Also, we should all say a special thanks to Commodore Elizabeth Staas for providing the leadership guiding the Club through the year and for all her efforts supporting numerous events across the Club.

As we look back on 2021, it was an interesting year. It started with uncertainty but with a determination to get out with our friends at FBYC. The Offshore Division sponsored another outstanding Stingray Point Regatta and hosted 22 boats in the series and long distance events. The Cruising Division saw 20 boats participate in a broad range of Cruising events around the bay and up the east coast. In addition to a wonderful AOD, One Design Division hosted 25 race days, and 184 one design boats of all classes. Opti Kids and Junior Week saw more than 150 sailors getting out on the water and the Junior Regatta hosted more than 130 boats from Canada, Delaware and around the mid- Atlantic. FBYC saw strong interest from people looking at getting into and learning more about sailing. The Junior Sailing School was fully subscribed, and more than 130 sailors, members, and non-members alike, participated in Adult Sail Events and Clinics.

Whether we are part of waterfront or dock activities, meeting new friends at the Closing Day Oyster Roast, or kicking back at the pool, the grounds and facilities at FBYC provide a magnificent setting for our activities. This past year we tackled several unexpected repair projects including the Clubhouse second floor ceiling. We saw numerous facility improvements including a new Wi-Fi system, dinghy rack improvements, the addition of kayak racks, and preparing for the new county water system. Also, Spring Cleanup Day, "Adopt A Spot", demolition of old lockers and laser racks and other activities focused on maintaining the beauty around FBYC.

Looking forward, we are excited about 2022 and continued improvement at FBYC. The middle dock has seen many years of service to cruiser and racer alike, but is at the end of its life, requiring ever increasing repairs and fixes. Thanks to the efforts of the middle dock committee, Mayo Tabb, David Hinckle, David Clark, Jim Raper, Steve Montgomery, Glenn Doncaster, and Chris Lindbloom under leadership of Vice Commodore Mark Wensell, the middle dock replacement is becoming a reality. Design and permitting are complete, demolition is underway, and the project is on track to be completed by Opening Day. No more underwater piers!

On the sailing side, the focus is on quality events and supporting participation. The 2022 sailing events calendar is being finalized with a focus on delivering memorable sailing and social events. The Offshore group is looking at including a Cruising Class at FBYC to support participation of cruiser/racers and the double-handed Melges 15 will be arriving at FBYC this spring to join our One Design Fleets. Helping both new and not-so-new sailors to build skills and gain new experiences is critical to the vitality of FBYC and the sport of sailing. We are expecting to see continued strong demand for our clinics, Crew Training, and other sailing instruction programs at both the Junior and Adult Sailor level. More boats on the water!

COMMODORE / MINUTES - November 2021

All of these activities and events come together through the efforts of our members: the Event and Committee Chairs, the PROs and Race Committees, the members and parents supporting the Junior Program, as well as teams of volunteers for every event and project at FBYC. With planning for the 2022 events well underway, now is the time to get involved. If you have a special interest, reach out to one of the Board members or to Julie Ann Wash our Membership Engagement Chair. As the season progresses, if someone calls asking for your help with an event, say yes and bring a friend!

Welcome to a new season at FBYC. I look forward to seeing you on the water and around the Club.

Joe Roos, Commodore

BOARD MEETING MINUTES

FBYC's November Board Meeting minutes were lengthy and extensive as they contain annual reports for officers, trustees, and committees. We invite you to view the minutes at the following website as an appendix to this Log:

https://drive.google.com/file/d/1IzCdLK34_6tffaUJ-GoxVLPj-n5K0DCW/view?usp=sharing

Also, if you were unable to attend the Annual Meeting, you can read those minutes here:

https://drive.google.com/file/d/1xd391ODQDBV8BENuT9ChCet0tXfLS_/view?usp=sharing

**SOCIAL EVENT
VOLUNTEERS NEEDED**

Here is your chance! We are blessed to have so many opportunities to gather together as a FBYC family. I know there are folks that have great ideas about how to make our events even better. Opportunities are open for Memorial Day weekend and Closing Day. If you would be willing to organize and host an event, we'll give you all the help and support you need! Please reach out to **Diane Simon**: dsimon1557@yahoo.com

Junior Week

June 20 - 24, 2022

Registration goes live in February!

BOARD ASSIGNMENTS

**MEMBER-AT-LARGE REPORT
TRACY SCHWARZSCHILD**

The Nominating Committee appointed by the Commodore consisting of Tracy Schwarzschild, Member-at-Large, Elizabeth Staas, Commodore, Joe Roos, Vice Commodore, Mark Wensell, Rear Commodore, David Hinckle, Nancy Powell and Doug Bendura has continued to meet weekly via and has completed its mission to fill open Board and Committee positions for the coming year.

Throughout this process, the Committee has been mindful and appreciative of the significant contributions that the current Board and Committee members have made during the current year, but it also focused on the ongoing need to expand the group of individuals who have an understanding of the workings of the Club to develop a deeper “bench” for future Club leadership. Nominees for the Board and committee positions were presented at the November Board meeting and approved for presentation to the membership for election at the Annual Meeting.

***Thank you for helping
make this Club possible!***

- General Manager** - Brian Ankrom
- YAM Chair** - Arch and Katie Durham

LIFE MEMBER / ANNUAL AWARDS

LIFE MEMBER AWARD

The purpose of awarding Life Member status is to recognize a member whose contributions are distinguished by their depth, breadth, superior quality and lasting impact. It needs to be stated, this is a “you know it when you see it” intangible. The compelling rationale for the nomination should be self-evident. Any Club member may nominate another member for Life Member status. Being nominated by your peers for Life Membership to Fishing Bay Yacht Club is one of the highest honors a member can receive.

This year’s recipient of Life Member status has served Fishing Bay in many ways for 50 years. Nominated by Russ Collins, this member has served the Junior Program faithfully since the mid 1980s. He became the leader of the volunteers (aka Boat Lizards) who serviced, launched and generally took care of all the power boats needed to make Junior Week run smoothly. *This member also served as the Cruising Fleet’s Commander, driving from home in North Carolina for each monthly Board Meeting.* It has been said that he stopped at every Burger King along the way for refreshments.

In 1998, he was awarded the Wayland Rennie Cruising Award. And this member has always been one of our most outgoing and welcoming members. From his prime vantage point on *Nugget* at the east dock, this member is among the first to greet visiting yachts and sailors, helping perpetuate that FBYC is truly one of the friendliest yacht clubs around. He truly has never met a stranger and goes out of his way to make sure everyone feels welcome. **We present the Life Member award at Fishing Bay Yacht Club to Charlie Jones.**

2021 COMMODORE'S BALL

More than 140 members celebrated the close of the sailing season at the Annual Meeting and Commodore's Ball at the Bon Secours Training Center in Richmond.

We announced our new Flag officers and Board members, acknowledged our numerous award winners, danced and dined, and simply basked in each other's company. We are thankful for Gary and Karen Akens for arranging an event to remember.

OUTSTANDING VOLUNTEER (Photography)

Paul Almany

Photo credit goes to **Paul Almany** for allowing us to use his photographs in our *Log* publications. Most of the photographs we use have been taken by him.

Thank you, Paul!

COMMODORE'S BALL

NEW MEMBERS / GROUNDS UPDATES

**APPROVED FOR MEMBERSHIP
NOVEMBER 2021**

Stefan & Catherine Ianchulev – Growing up Stefan had the opportunity to live by the sea and develop a special love for the water. Later in life, he was introduced to sailing and it fascinated him with the connection one built between the boat, the human and the vast and challenging environment. Since then, he has explored every opportunity to learn how to sail and later race. His wife, Catherine, loves the water and sailing, and their children were brought up sailing in everything from Optis to 420s. Stefan has a large amount of experience with one-design sailing including participation in the Marblehead NOOD Regatta as part of the Rhodes 19 fleet.

The Ianchulevs have chartered during vacation times and would like to continue to be part of the sailing community. They moved to Richmond a couple of years ago and are looking for a family friendly yacht club where they can continue their passion as well as be a part of the community and contribute to its growth and life. Several friends from Richmond spoke highly of the Fishing Bay Yacht Club and their brief experience with club members confirmed the values they are looking for. Upon their visit

in September, the weather was chilly and rainy, but that did not deter them from sailing. Stefan and Catherine met up with Bill Kitchens and Rick Peterson. Stefan and Bill were prepared and anxious to get on the water. Minutes later *Rivordance* was launched and Stefan received an introduction to Flying Scot sailing. The afternoon was blustery but manageable. Stefan would like to continue to develop his racing skills in the one design class and participate in the cruising lifestyle at the club.

Sponsors: *Richard T. Petersen and William Kitchens*

NEW DINGHY RACK COMPLETED

The Dinghy Rack will now be limited to only dinghies. End-racks were added so that kayaks and paddle boards can be better served and their rental costs will be decreased.

All dinghies, kayaks, and boards should have a FBYC sticker on them and the member will be assigned a specific space. Name plates are provided so others are aware of who is renting the space regardless of the presence of a dinghy or kayak. The Grounds Chair has been assigned the responsibility of managing the Dinghy Rack in conjunction with the Executive Secretary and General Manager. Thanks to Steve Montgomery for leading the charge on this project!
