

This Sunday's Laser Summer Regatta was well attended and everybody seemed to enjoy themselves. The conditions challenged 10 full rigs, and one radial with very shifty wind that got lighter as the day went on. All this kept the RC busy dealing with wind readings between 45 degrees and 125 degrees. The top 4 finishes after 5 races were:

1. Austin Powers (10 points)
2. Brad Squires (13 points)
3. Alain Vincey (18 points)
4. Mike Toms (19 points)

Complete results will be posted on the FBYC website after we get someone to retrieve the score sheet from the notice board at the club house.
