

From the Quarterdeck

by Mike Karn, Commodore

It sure is great to be back in that sailing frame of mind. The grounds look great, the *Mr. Roberts* is back and there is plenty of activity around the Club. So far we have had a Clean-Up Day, a J105 clinic, Crew Training and a J/29 Easter Regatta.

A day of April showers did not prevent our Opening as many old and new faces appeared on April 15 for the first Offshore race, the Blessing of the Fleet and the dinner afterwards. Both race committees pulled Easter Bunnies out of their hats a week early to get races off on Saturday and Sunday. The racing was competitive and exciting and we had a chance to see some great one-design J/24 and J-105 action within the handicap fleets. The starting sequence and course lengths that were used allowed most of the boats to finish within a few minutes of each other, giving us a different point of view and less wasted time between races. It was exciting to see the various fleets sailing in close proximity.

The One Design program got off to a great start on April 29. We

had a great turnout as old rivalries are rejoined and new racers were welcomed. With so much going on, I hope that every member will get a chance to come out and enjoy the Club this spring.

Planning is under way for the 2000 Leukemia Cup at Fishing Bay on June 23-24. Keep in mind that this is a fundraiser with many activities scheduled around the race. It is a great chance for the Club to give something back to the community. The winning boats will be those who bring in the largest contributions and it is not too early to start that race for the grand prizes. If you want to be a part of it, please contact Judy Buis.

Hampton Yacht Club is the primary host of this year's Southern Bay Race Week. The event is scheduled for June 9-11 and will be the largest Southern Bay Regatta of the year. We are hoping to have a good showing of Fishing Bay sailors so give me a call if you need more information.

See you on the Water!

RRYC Picnic

.All Fishing Bay Yacht Club members are invited to the Rappahannock River Yacht Club Memorial Day Picnic on Sunday, May 28. This event will begin at 5:00 p.m., after the Sunday 'Post Rosegill' races (see your Red Book for details on the racing). RRYC will be providing beer, soft drinks, set-ups, paper products, charcoal, etc. Bring your own main course to grill and a dish (appetizer, salad, dessert) to share. For racers (or anyone else for that matter) who do not want to bring something to grill, they are offering a boxed dinner from a local BBQ vendor that will include a chopped pork BBQ sandwich, cole slaw, and baked beans.

The cost is \$5 per person if you bring your own main dish to grill, and \$10 per person if you want the BBQ dinner. Get your reservations to Jim Black (550-3909 or jim.black@mindspring.com) **on or before May 23** so you don't miss out. They will not be ordering any extra (i.e. unreserved) box dinners, so be sure to make your reservation on time.

Final Approval

Judge & Mrs. John R. Alderman;
Mr. Jeb E. Beaudin,
Mr. & Mrs. Matthew J. Braun ,
Mr. Kristofer C. (K. C.) Funk,
Mr. & Mrs. Frank J. McCarthy,
Dr. & Mrs. Lawrence G. Miller, III
Mr. & Mrs. Paul H. Saunders
Mr. & Mrs. Denton C. Roberts, 11202

West 124 Street, Overland Park, KS, 66213. Den & Susan were members of FBYC from 1975 to 1983 before moving to Kansas. Den served on the FBYC Board as Fleet Captain, One Design Commander, and Log Streamer. The family has purchased a summer home in Deltaville and look forward to becoming members of FBYC once again. Den is a life-time sailor and plans to race one design. Though they do not own at boat at

this time, Den will race a Mobjack belonging to his brother, Dr. Thomas C. Roberts. Den & Susan have three children, Leila (age 19), Katherine (age 17) & Cullen (age 14). Sponsors: Case Whittemore; Jere Dennison.

Circulation

Mr. & Mrs. Lowndes Burke, 5411 Cary Street Road, Richmond, VA, 23226. Lowndes & Mary Anne have four children, Thomas & Maria (age 13), Marshall (age 10), & Ranny (age 4). Lowndes has been a crew member on various boats at Fishing Bay since he was a teenager. The Burkes are interested in a family sport and having their children learn to sail. Sponsors: Willard Strickland; Claiborne Irby.
Mr. & Mrs. P. Christopher Guedri, 8900 Tolman Road, Richmond, VA, 23229. Chris & Cheryl have a son, Ross, who is 13 years old. They recently bought a condo at Jackson Creek Harbour and own a Catalina 36, a Grady White powerboat and two sea kayaks. Sponsors: Thomas & Gray Payne; Richard K. Bennett.
Capt. & Mrs. William Francis Murphy, III, 1340 Graydon Avenue, Norfolk, VA, 23507. Frank is a professional seaman who graduated from the U.S. Naval Academy and is now a Captain in the Navy. He and his wife, Betsy, recently moved from Seattle back to Norfolk. They own property on the Piankatank and own a Laser and a Hampton One Design. The Murphys are also looking for a cruising boat. Frank & Betsy have two college-age daughters, Mary-Reeves (age 22) & Anne (age 19). Sponsors: Alain Vincey; Fred & Bruce Forsberg.

Mr. & Mrs. George L. Scott, 4115 West Franklin Street, Richmond, VA, 23221. George and his wife, Debbie, also have a home in Matthews. They own a Laser and would like to improve their sailing skills. Their daughter, Mary Beth (age 11), enjoys sailing the Laser with her father and is interested in the Junior program. Sponsors: Thomas A. Payne; Michael W. Karn.

Resignations

Mr. & Mrs. Michael S. Ford; Mr. & Mrs. Robert A. McCowen.

Death

Mrs. Norma T. Dunn, Life Member, widow of Reid A. Dunn, Sr., who was a charter member of FBYC and served from 1939-1941 as the Club's first Commodore.

Leukemia Cup Regatta Update

The Volvo Leukemia Cup Regatta is scheduled for June 23-24. Middlesex County has proclaimed that weekend as "Southern Chesapeake Leukemia Cup Regatta Days." As you can see the community has really gotten behind this event. Several committee members as well as representatives from the Leukemia Society met with the Deltaville Community Association and they are excited to be a part of this prestigious event. Several of the local business have already committed to donating either money, items for the silent auction or other ways. This is certainly a good start of reaching out \$100,000 goal. We need YOUR help. Please start getting a crew together to race in the Regatta and find ways to raise money. If you are interested in being a fund-raising boat please get in touch with me.

You can win GREAT prizes for being top fundraiser. Just ask me, I was able to spend a week in the Caribbean on a 44ft. Boat. I won this trip from the Moorings for being the top fundraiser last year. I know what you are thinking, "I hate asking people for money". I felt the same way last year but decided the cause was good enough so I would try. I found everyone was very supportive. The worst they could do was say no, and very few did. Every day you read about or meet someone who has had Leukemia or Lymphoma. It touches ALL of us. FBYC has made a commitment to help this cause, lets double our success of last year. Please get in touch with me for information about a fund raising package, and if you have any items or services you would like to donate for the silent auction. Let us ALL work together to make this year an event that we can be proud of!

Judy Buis 740-8800 jbuis@worldnet.att.net

Schedule in brief

Friday afternoon – Small Boat Sail-a-thon

Friday evening. – Welcome Reception Silent Auction (Be ready to Bid!)

Saturday – registration, breakfast, Skippers Meeting & Regatta

Saturday Eve. – Award Gala Dinner @ Stingray Harbor (for everyone!)

Rosegill Ad PDF file

The Scoop on Junior Week 2000

(repeated from March Log!)

Junior Week is going to look a LOT different this year! We'll still have sailing, parties, and fun with friends—but here's the new stuff!

1. OptiKids (sailors age 6-8) is going to be held separately from Junior Week. We started with 12 OptiKids in 1995; last year, we had 32 awesome young sailors... now that's growth! We've decided to move OptiKids to the 2 weekends PRIOR to Junior Week. Mark your calendars for these 4 days June 10, 11, 17 and 18. The class will still be half days, and students will attend classes on all 4 days.

2. Advanced Sailing Class (sailors age 11 and over; or who have completed Intermediate Sailing Class) replaces the Cruising Class.

We were thrilled with the response to this class by so many great sailors last summer, but we heard you really liked the 420s more than the big boats! We're listening!! We could still have a big boat cruise option, but we're going to focus on 420s and we're working to borrow Mobjacks (you know, the cool, sleek boat with a trapeze for those who really like to "hang out"). We'll spend time sailing with our friends and try new stuff as a team. Tell your FBYC friends to meet you in the Advanced Sailing Class!

3. Beginning Opti, Intermediate Opti and Racing Classes are too good to change!

Beginning Opti (sailors age 9 or 10) You'll be sailing that Opti like a pro—with the help of a friend. Two kids in each boat will learn basic sailing skills while having FUN!

Intermediate Opti (sailors age 10 or 11) You've already learned the basics in the Beginning Opti Class last year. Now you're going to sail alone! You'll have lots of fun and learn a little more about getting the boat their first!

Racing Classes (sailors age 11 or over) You've completed Intermediate. You know how to get that boat going, but you want to get there faster! Bring your Opti, Byte, or Laser and learn from some of the best in your class. Maybe you'll join the FBYC Racing Team (you get your own T-shirt ☺) and have fun racing with other kids your age at our club, or at other clubs around the Chesapeake Bay.

PARENTS: Usual progression in Junior Week goes like this:

OptiKids--
Beginning Opti--
Intermediate Opti,
then either Racing or
Advanced Sailing Class

If you weren't lucky enough to start your child's sailing career at age 6, select the class which seems age and skill level appropriate. Over age 11, with no sailing experience (deprived children!), I would recommend Advanced Sailing Class—they'll learn quickly!

Registration forms are on page 9. Look for 'em and mail 'em in fast! Also, have your Junior input Questionnaire on the next page and send it in with your registration. We want to know what you want!

Jan

Moms Sailing Class I want YOU

Jan Monnier 751-0358

Why should kids have all the fun?

We did a test class during the 1999 Junior Week, and were overwhelmed at the enthusiasm of the participants. Moms who want 'hands-on' sailing classes, in Flying Scots, should call me NOW to put your name on the list so I can have boats ready to go! Even if you have other "duties" during Junior Week, you can join the class for any portion of the day, even if it's only for one day! We will sail on Tuesday, Wednesday and Thursday of Junior Week. Class will start after the kids are in class, and end before they return. We'll even have you in for lunch with the kids.

It's a great, no yelling, lots of relaxing, and easy learning environment. You can learn to sail as fast as the OptiKids and have just as much fun because you'll be sailing with friends too! Sign up your friend while your at it!

Housing Help Needed

Junior Coach Housing

Jun 9- Aug 16, 2000

We are still seeking housing for a Junior Coach for the summer. Anyone with a house available for rent, a livable boat available, or a room available to rent-- please call Jan. Or if you know someone else who might have something we could use... let Jan know. She'll follow up on the details!

We need Leads!

Juniors, Give me your input for Junior Week 2000!!!!

April Races

By David Hazelhurst

Our new season is off to anything but a good start with last-minute equipment and race committee deficiencies as well as zero to light winds. By dint of a superhuman effort by our Fleet Lieutenant, Mark Wensell, the newly refurbished *Mr. Roberts* was on the water for the Opening Day races less than 24 hours after it was returned to the club. It will take some time to return all the hand-held instruments and other equipment that race committees became used to finding so easily after the 1997-8 John Koedel overhaul. Mark was working on this and related opportunities again as recently as April 30.

On Opening Day we had 17 off shore boats on the water and while the wind direction moved inconsistently through some 90 degrees we got in one race before returning for the Blessing of the Fleet. *Stormking*

was able to sail directly to the windward mark with few if any tacks and was first in PHRF A and from memory first over the line. The other memorable finish was *Mojo* sailed by Mark Wensell in the four boat J-24 fleet, and Mark had clearly had little time for preparing his own boat. The following day I am told the seabreeze came in early afternoon and three races were held. Results are posted below.

Over Easter weekend the J-29 regatta drew a record 13 boats so are clearly on an improving trend.

For the Opening race of the One Design Spring series on April 29 we had 24 boats on the water with two would be racers, Debbie Cycotte and Alain Vincey filling two of the five vacant RC slots thereby allowing the regatta to be held as scheduled. Joe Williams finished first amongst the 8 Front Runners, Meg Roberts edged out Caroline Collins in the 3 boat Mobjack fleet, Jan Monnier edged out John Beery by beating him in the third race to win the 6 boat Scot Fleet, George

Panayides with three firsts was first Laser in a fleet of 4, and Alex O'Toole was first in a three boat Opti fleet.

Other acknowledgements for helping with on and off water support are to Strother Scott and his crew who took over the race committee duty at short notice on April 16. Strother's crew included Bill and Ruth Warren who have recently moved to Williamsburg and sail with the Laser fleet year round. We owe them a big thank you for helping with race committee on both days of Opening weekend. Also Kelly O'Toole for her ongoing efforts with getting awards to the right place at the right time, and to John Koedel, son of the afore mentioned John Koedel Jr for the standard he set for subsequent One Design Event chairs on April 29.

With these start-up problems behind us hopefully we can look forward to better conditions, having all the necessary equipment readily

available and ready to go race committees.

The few people who are asked to serve on RC more than once per year do this willingly. And our present system of providing RC's which is in it's third year is set up on the premise that it is not unreasonable to expect other racers to contribute on a lesser frequency. Happily most who are asked do it without question, and hopefully enjoy making this contribution. And believe me there are plenty who believe work can be fun and actually enjoy doing it.

Personal Storage

Please remove all personal items from the club houses (including porches and the basement of the Fannie House) by June 1st. We will be cleaning the houses for upcoming events and will dispose of all items remaining in the houses that are not property of FBYC.

In the future, we ask that personal items be stored in club lockers. There are a number of lockers available for a small yearly fee. If interested, Please contact Michael Calkins at (804) 285-2744

Annual Books

Anyone who has not received the annual books for 2000, please contact Mary Spencer @ (804) 740-7913 or spencer.mary@worldnet.att.net.

Handbook Changes

CODE: Boldface - language that is being added

The following change to a section of the Bylaws was approved at the April Board meeting.

Section 5:

DIVISIONS OF THE YACHT SQUADRON

A. Offshore Division

1. MORC rated yachts - Yachts holding currently valid MORC certificates, copies of which are on file with the Secretary.
2. PHRF rated yachts - Yachts holding currently valid PHRF rating certificates issued by PHRF of the Chesapeake, Inc., copies of which are on file with the Secretary.
3. **J-24 yachts - Yachts that meet all measurement and registration**

requirements of the J-24 class organization.

4. Other rated yachts - Yachts of at least 20 feet overall length holding a currently valid rating certificate issued by any other recognized rating authority or one-design class association.

The following change to the Barber Trophy was proposed by MORC Station 70 and approved at the April Board meeting.

Perpetual Trophies:

BARBER TROPHY Presented in 1985 by the members of MORC Station 70, this trophy shall be awarded annually to one MORC and one J-24 skipper who beat the most competitors during the Regular Racing Season.

The trophy is to be displayed in the Fishing Bay Yacht Club clubhouse with an appropriate plaque to be presented to the winners. The winners' names and yacht names are to be placed on the trophy for each year.

In 1995, the J-24's failed to maintain status as an active fleet and were deleted from consideration for this trophy. In 2000, the J-24's regained active fleet status and were reinstated as recipients of this trophy.

Only members of the MORC Class or J-24 classes are eligible. They must belong to their class association before any races can be counted. All races are to be counted equally. Only yachts actually starting a race can be counted.

Any changes to this deed must have approval of MORC Station 70. If this is not possible, the FBYC Board of Trustees may make any change or reassignment they wish.

One Design Summer Sailing

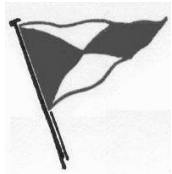

Picking up on the Severn Sailing Association TESOD program where the acronym stands for Tuesday Evening Sailing One Design we plan to start a WESOD activity at Fishing Bay. Every Wednesday starting 10 May we will start sailing, and when appropriate racing, at 6.00. All we need of would be and experienced sailors is for you to be there and ready to go on the water at that time. A primary objective of this program is to introduce newcomers to sailing as well as provide an opportunity for addicts to practice. And hopefully there will be others in a middle ground. During the summer months we hope to supplement the help you get from Bob Kates, Alain Vincey and David Hazlehurst with that from the Junior coaches as they are available. Please come and join us, no matter how little experience you have in what we hope will be a growing activity.

Thanks via e-mail

Ladies and Gentlemen,
A most marvelous (J-29) regatta this past weekend. A week of racing in two and a half days. Best race committee work ever in twenty years...it is on my calendar permanently. Your hospitality and the venue were spot on.
thanks, Greg, crew on *Edge2*

Ditto Plus Plus and more from Jay Tovey – Skipper – *Fish*
Thanks to all the volunteers who made the Club, Grounds, Docks and Opening Day so great.

Dick Cole

FBYC Cruise to

June 15, 16, 17, 18

Itinerary

Thursday – June 15 – Sail from Deltaville to Norfolk Yacht & County Club on the Lafayette River. Gather on the Dock for impromptu cocktail hour at 5 p.m. BYOL. Dinner on your own. (The tall ships will be arriving all day on June 15th and anchoring at Lynnhaven Roads as close to Lynnhaven Inlet as possible. There will be 30-40 tall ships anchored in this area by 6:00 P.M. – keep your eyes left as you approach Hampton Roads)

Friday – June 16 – Sail out into the Elizabeth River and Hampton Roads to view the Parade of Tall Ships. Cocktails at 5 p.m. followed by dinner at NY&CC. Proper dinner attire required in dining room. Casual attire acceptable in Grill. Everyone is responsible for their own meal expenses.

Saturday – June 17 – Sail from the Lafayette River to East River off Mobjack Bay. Raft up for cocktails and pot luck dinner.

Sunday – June 18 – return to Deltaville.

Call Owen Davidson (540) 382-7769 with any questions and to make reservations. Slips are available at Norfolk Yacht & Country Club. For a complete listing of OpSail 2000 events and information go to the web sites listed below:

http://www.opsail2000.org/web/portinfo_norfolk.html

<http://www.opsailvirginia.com/>

<http://www.uscg.mil/d5/group/hamptonroads/opsail2000.html>

Friday, June 16th, 2000 – Arrival Parade of Sail

At 7:00 A.M. on Friday, the Parade of Sail will officially begin. The tall ships will leave the anchorage area at Lynnhaven Roads and head West in the Thimble Shoals channel. The parade route includes: Thimble Shoal Channel, Norfolk Harbor Entrance Reach, Norfolk Harbor Reach, **Craney Island Reach (right where the Lafayette River joins the Elizabeth River, viewable from Anchorages N and O, easily accessible from NY&CC)**, Lambert Bend, Port Norfolk Reach and Town Point Reach. In the Chesapeake Bay, boaters will be allowed to move alongside the parade, outside of the secured channel. Because of the large number of spectator watercraft anticipated, waterborne traffic will essentially come to a halt from the Hampton Roads Bridge tunnel to beyond downtown Norfolk and Portsmouth on the Elizabeth River. The Coast Guard will restrict the waterway from 8:00 A.M. until approximately 5:00 P.M. There will be designated anchorages set up on the Elizabeth River along the parade route. **Boaters will be allowed to enter these anchorages Thursday, June 15th or very early on Friday, June 16th.** These anchorages will be secured during the day on Friday so that no boaters will be allowed to enter or leave while the Parade of Sail is in progress. The tall ships will be berthing in Downtown Norfolk, Portsmouth, Hampton and in Chesapeake near Great Bridge.

The Coast Guard will establish safety zones to close the parade route and restrict spectator and commercial vessels from designated areas for the duration of the Parade of Sail. In addition to closing the parade route at 0800, the Coast Guard will establish Vessel Traffic Control Points along the route to control the flow of spectator vessel traffic immediately prior to and during the parade. The ELIZABETH RIVER from the NAVAL SHIPYARD to the HAMPTON ROADS BRIDGE will be CLOSED until approximately 5:00 P.M.

J-29 Invitational

Fishing Bay Yacht Club was host to the 2000 J-29 Invitational Regatta held April 21-23. Regatta Sponsors Andersen Boatworks, (Launch Facilities) Fastlane Specialties, Quantum Sails-Fishing Bay, helped make this regatta a favorite on the 9 Event, J-29 Circuit.

Sailing conditions on the first day were winds S-SW, 5-15 kts. 4 races were held with very tight racing the norm. Crews were treated to steak and shish-kabob dinner with a potent Rum Cake for dessert. Day 2 dawned with the beginning of a cold front with winds N-NW 10-15 kts. The fleet set sail after a postponement of one hour to allow temperatures

to warm up. Race Committee Chairman, David Lee, led the fleet out of Jackson Creek and flawlessly snapped off 4 more races.

After another fine evening of drinking, eating and story telling the fleet set sail Sunday to finish the Regatta and settle the finishing positions. Conditions for Sunday were winds 15-20 kts. out of the NW. This made for great J-29 sailing with #3's and heavy air chutes the choice for the day. After two races, *Tomahawk* was crowned regatta winner with *Cheryl Lea* and *Fastlane* taking 2nd and 3rd place respectively.

At the end of the day, the fleet celebrated the winners and everyone planned their strategy for the next event, Block Island Race Week.

Call Rob Whittet (804) 285-2500.

For Sale/Wanted: Optis, Bytes

There is much need to buy and sell boats this time of year as Juniors "age out" or need a boat for Junior Week and sailing activities. We will help match sellers and buyers. Remember to transfer certificates to keep them "legal" and "official".

For Sail: Hobie 16, fully equipped, in Deltaville. Contact Rives Potts (860) 767-2991 or email rpotts@byy.com

For Need Railmeat? Used to be a member. Wish to get more involved in racing, esp. MORC. Call Jason Angus. 804-288-9440 work, 804-353-3002 home

Sale: ChuteScoop for a spinnaker, 38 feet to 45 feet on the luff. Can be shortened. Like new. Cost \$178, asking \$85. Call Allen Bower (757) 428-0733 or see me at "Magic" at slip 18.

For Sale: Two Oakum bulkhead displays, good condition, \$425.
Call Brad Davis 320-5498

Wanted: two adult bikes, preferably folding for use on 2 mo. cruise in N. England. June - July 2000. Will buy or "rent". Call Jim Stalnaker 757 481 6113 after 7pm or on weekends.

YEOMAN navigation system. Sport model. Portable. Interfaces with GPS and "reads" Maptech chart books and conventional NOAA charts. Shows boat's position on charts, downloads waypoints from chart to GPS with a click, converts shows GPS waypoints on chart. Highly rated by Cruising World. 6 mos. old but never used. Acquired Capt. system with laptop and now don't need duplicate system. \$650 new, but will sacrifice for \$450. Call Jim Stalnaker 757 481 6113 after 7pm.

Wanted to Buy: Used Optimists, Lasers, 420s or Flying Juniors for use at Ware River Yacht Club's Sailing Schools. Contact Herb Field at (804) 725-2915.

Trivia Answer

Mobjack – British ships exploring the Bay went into the area we know as Mobjack Bay. These ships were manned by sailors known as "Jacks". The Jacks amused themselves by shouting out and being "mocked" by the echo of their voices off the tall trees ashore. The ships navigator observing the "mocking" noted the location in his Log and on his chart, calling it Mock Jack Bay. Over time it was shortened and became Mobjack Bay. The Mobjack class was born on Mobjack Bay. That's why the class symbol has the dancing "Jack" or sailor over the "M" on their sail.

For Free: Advertising Space for FBYC members. Use our newsletter to buy, sell, rent or trade, as well as seek or offer services. Ads will run three months and then must be resubmitted to *The Log*. Business ads are also welcome and the pricing is reasonable.
