## From the Quarterdeck

If you were not already aware of it, the old clubhouse and the concrete pad on which it sat for 51 years are gone. You can see Fishing Bay right through where the clubhouse used to be. Soil testing for new footings has begun, and a construction fence will be erected soon. We have our final plans and a building permit from the County.

We are still short of our \$300,000 fundraising goal but we are close enough to be able to proceed on the building. To those of you who have delayed contributing, please get a Pledge Form from Bev Crump 783-6804 or you can send in a check to FBYC Building Fund, c/o Beverley L. Crump P.O. Box 1463 Richmond, VA 23218. We'll make another fund raising push once we our construction costs are detailed.

In preparation for a new season, Bob Kates plans a Grounds Clean Up Day for March 17. The construction will reduce our usable spaces, and Bob will focus on areas that will be used intensively this year. We have permission for overflow parking this summer on the large Richardson field east of club grounds. And we must avoid parking on Stull property - which includes the turn-a round just past the club.

The Bermuda High party set a new

by Strother Scott, Commodore

high standard for wintertime parties. Reasonable costs - great location - and lots of fun. We will try again on March 23. Gary Jobson will join us for a wine tasting party at Trigon on March 23rd 7:00-10:00. All proceeds go to the Leukemia Society. Please come and get yourself in the mood for the Leukemia Cup on June 23. Last year FBYC raised \$78,000 on that event which ranked us #7 out of 44 Leukemia Cup events held in the USA.

The 2001 booklets (Green - Red - Blue - Yellow) are at the printer. Most of the volunteer slots are filled. They will be in the mail soon, but advance copies will be available sooner from our new web site that is being tested now at [www.fbyc.net](http://www.fbyc.net). It still needs more work but try it out and post a message let us know what you think.

Opening Day will be on April 7. After the racing on Saturday we will have the traditional Blessing of the Fleet and dinner to follow under our new 20' by 40' push pole tent, which we plan to erect on the grass between Fannie's House and Jackson Creek.

R. Strother Scott

## 2001-2004 Racing Rules of Sailing (RRS)

The International Sailing Federation (ISAF) has finally published the quadrennial update to the rules that govern races. US Sailing will adopt these and members will get a copy.

An FBYC committee met in February and decided not to adopt the new Section 26 rules changing how the race committee starts races. This is due in part to the tardiness of the publication. Instead we will write our instructions this year to proscribe starts using the familiar red, yellow and blue shapes, etc on the starting sequences. For One Design races, where we have a skipper's meeting every race day, we will give the RC the option of using the new system. This will allow our members to get some experience without having to make major reconfigurations to our committee boats.

There is another new rule this year that requires that all crew on boats be members of recognized yacht clubs. We can not change that rule, however we will add language to our sailing instructions that say in effect - no competitor may protest another boat for failure to follow the new rule about crew being club members. USSailing is advising and CBYRA is doing the same to their Sailing Instructions. Note, other changes may affect your conduct on the race course!

## BOARD MEETING NOTES -2/12/00

### REAR CMDR - DAVID HAZLEHURST

SECRETARY - Lud Kimbrough - The next membership meeting is March 12, 2001 at 6:30 at Lud Kimbrough's home.

MINUTES - Lud led a discussion about possible changes in the Green Book. The membership lists will be consolidated with the telephone/e-mail list. Children's names with date of birth will also be included in the Active Membership list. The Junior List will contain the names of all Junior members with their ages and telephone numbers. Mason moved that Lud organize the database for the Green Book according to the Board's wishes; motion passed.

TREASURER - Mason Chapman - Treasurer's report presented

HOUSE - Craig Massey - A few of the lockers from the Fishing Bay side were moved to the Jackson Creek side and will soon be available to rent. Mike Karn advised that the water should be back on in Fannie's House.

DOCKS - Debbie Cycotte - Debbie has two slips available. Enrollment forms will be sent to the slipholders for dinghies so they can be identified and permanent numbers placed on them. Debbie is looking for a manual hoist for launching dinghies. The Dry Sail Rules state that boats must be covered by insurance and that wording is being added to the Pier Rules for boats in slips.

SOCIAL - Mike Calkins - Mike still needs several Event Chairs and will try to recruit them at the Bermuda High party.

GROUNDS - Bob Kates (reported by David Hazlehurst) - Bob has moved the dumpster and cleaned up the area around it. Miles Booth moved the lockers from the Ralston's fence on the Fishing Bay side to the area behind the water treatment facility. March 17 has been set as Work Day.

WINTER PROGRAMS - John Koedel (reported by David Hazlehurst) - The first winter program, A Cruising Conversation by Ralph Naranjo, was held on February 4 with 145 in attendance. The wine tasting with Gary Jobson will be held on March 23, with the proceeds going to the Leukemia Society.

FINANCE - Strother Scott - Strother reported on the status of the fundraising drive.

NEW BUILDING CHR. - Judy Buis - Demolition of the old clubhouse took place on February 12. Arthur Wilton hopes to begin construction by the end of February.

### VICE COMMODORE - DICK COLE

### FLEET CAPTAIN - Gordon Nelson

Forms were sent to the Coast Guard for the 2001 races. The 2001 Sailing Events Schedule has been sent to CBYRA. CBYRA Region IV High Point Awards were recently announced. In the North Division in PHRF SPIN, Bill Spencer in *White Lightning* took first place and Rob Whittet in *Wavelength* took third.

OFFSHORE DIV. CDR. - Stuart Burnett (reported by Dick Cole) - Offshore Series #2 has been moved to May 6 and the correct dates for Southern Bay CBYRA Race Week are June 15, 16, and 17.

OFFSHORE RACE CHR. - Ron Buchanan - Ron has Race Committee Chairs for all but a few of the Fall Series races.

ONE DESIGN RACE CHR. - Jay Buhl - Jay needs two more Race Committee Chairs for one design races.

JUNIOR ACTIVITIES - Jan Monnier - Six children are already enrolled for OptiKids. 22 instructors are lined for Junior Week. Juniors 15 years old and up can participate in a counselor-in-training program and they will help teach Junior sailing classes. Jan is also working on a "skills level program." The Level 1 Instructor Course will be held March 30 through April 2. Blake Kimbrough has been hired as Head Junior Coach and Anthony Kuper-Smith as Assistant Junior Coach. Someone is needed to take charge of getting the power boats ready to use each day during Junior Week.

FLEET LT. - Kelly O'Toole - Kelly is getting an estimate from Barry Miller for replacing the risers on *Mr. Roberts*.

CBYRA - Elizabeth Staas - An e-mail will be going out next week to all boat owners regarding CBYRA membership. The CBYRA High Point Awards mentioned earlier by Dick Cole did not include MORC. Elizabeth is discussing this with CBYRA to determine if anyone was eligible to win. Dick Cole asked about a Rules Seminar to be held in Hampton concerning the changes in the US Sailing Rules. It is believed that CCV is sponsoring the event.

OLD BUSINESS - Mike Karn will run the Stingray Point Regatta this year.

The Website Committee has had two recent meetings. Mark Wensell reported that they are making progress.

Debbie Cycotte asked about dredging near the west dock. Mike Karn advised that it has been authorized and budgeted for and should be done before Opening Day.

## Membership

### Final Approval

**McArdle, Mr. & Mrs. Jay (Barbara); Jonathan M. Deutsch (Unattached Junior).**

### Circulation

**Bliley, Hon. & Mrs. Thomas J., Jr. (Tom & Mary Virginia)**, 408 Henri Road, Richmond, VA, 23226. Now that the Honorable Tom Bliley has retired from the U.S. House of Representatives, he and Mary Virginia are interested in meeting other sailors, cruising, and possibly crewing in small races. They are the owners of a Catalina 27. Sponsors: Wayland Rennie; Patrick Karn.

**Branflick, Mr. & Mrs. Jeffrey A. (Jeff & Jennifer)**, 15126 Fox Grove Lane, Midlothian, VA, 23112. Jeff & Jennifer both grew up around the water and Jeff has recently been involved in GRSA as the 2000 Race Committee Chairman. Their children, John (age 7) and Emma (age 5), have recently shown an interest in sailing. The Branflicks own a Laser and a Thistle. Sponsors: David Hazlehurst; John Koedel, III.

**Hutcheson, Mr. & Mrs. J. Randolph (Randy & Rossie)**, 6116 St. Andrews Lane, Richmond, VA, 23226. Randy & Rossie recently bought a house on Stove Point and wish to re-join FBYC. They have three children, Jack (age 10), Beirne (age 9), and Rossie (age 8), who are interested in learning to sail Optis. Sponsors: Beverly L. Crump; James E. Rogers.

### Resignations

**Mr. & Mrs. Alfred D. Allen; Mr. & Mrs. M. Gary Dennis; Mr. & Mrs. Stanley S. Deutsch; Ms. Michele Kates; Mr. & Mrs. William H. Kitchens, II (withdrew application after receiving final approval); Mr. & Mrs. Neil Quimby; Mr. & Mrs. Francis M. Watson, III.**

Secretary Lud Kimbrough will be holding the February membership meeting on Monday, February 12 at 6:30 p.m. at his home at 2405 Grand Summit Court in Richmond.

Anyone needing applications or further information to share with prospective members can contact Lud at (804) 272-7768 or ludk@msn.com or Mary Spencer at (804) 740-7913 or by email at spencer.mary@worldnet.att.net

**Clean Up Day 2001**  
**March 17th - start at 10:00 A.M.**

**The Clubhouse is Gone!**

The plans for Clean-up Day are to:

Nail down boards on the docks,  
paint lockers,

clean up the grounds,

clean the Fannie House porch and  
refurbish the flower beds.

Clean up the one-design parking area and  
organize the grounds for efficient use.

Bring your favorite tools: hammers, paint brushes,  
rakes and shovels. And all you gardeners bring a  
few perennials such as irises, day lillies or peri-  
winkle to plant around the Fannie House. Come  
and help get your club ready for the 2001 sailing  
season. David Hazlehurst and Dick Cole will be  
hosting coffee in the morning and also a lunch.

## Junior Week for the New Millenium ... AND BEYOND... ☺

Jan Monnier

804/751-0358

jmonnier@richmond.edu

Here are the classes available for our members kids/grandkids:

1. OptiKids (sailors age 6-8) Class will be held the 2 weekends prior to Junior Week- June 9, 10, 16 & 17<sup>th</sup>. The class will be half days, and students will attend classes on all 4 days. **One parent MUST** accompany each student.

2. Beginning Opti (sailors age 9 or 10) You'll be sailing that Opti like a pro—with the help of a friend. **Two kids** in each boat will learn basic sailing skills while having FUN!

3. Intermediate Opti (sailors age 10 or 11) You've already learned the basics in the Beginning Opti Class last year. Now you're going to **sail alone!** You'll have lots of fun and learn a little more about getting the boat their first!

4. Racing Classes (sailors age 11 or over) You've completed Intermediate. You know how to get that boat going, but you want to get there **faster!** Bring your Opti, Byte, or Laser and learn from some of the best in your class. Maybe you'll join the FBYC Racing Team (you get your own T-shirt ☺) and have fun racing with other kids your age at our club, or at other clubs around the Chesapeake Bay.

5. Team Sailing Class (sailors age 12 and over; or who have completed Intermediate Sailing Class). We'll spend time **sailing with our friends** and try new stuff as a team. Members are again offering to let us use their Mobjacks for the class. We might even have more 420s. Tell your FBYC friends to meet you in the Team Sailing Class!

**PARENTS: Usual progression** in Junior Week goes like this:

1. OptiKids
2. Beginning Opti
3. Intermediate Opti,
4. then either Racing or Advanced Sailing Class

If you weren't lucky enough to start your child's sailing career at age 6, select the class which seems age and skill level appropriate (call me if you have questions). Over age 11, with no sailing experience (deprived children!), I would recommend Advanced Sailing Class—they'll learn quickly!

## Junior Week Parent Jobs—during OptiKids Weekends and Junior Week

### Many hands make the work easy!

**-Power Boat Operations** – Insure boats are refueled each day and operational.

**-T-shirt Distribution** — Insure T-shirts are distributed to the various sections on the last day of instruction for OptiKids and Junior Week.

**-Check-in** at FBYC for the “check-in” period the first morning of instruction for OptiKids. For Junior Week, “check-in” will be held the Sunday prior to the start of Junior Week and the first morning of instruction for approximately 1 hour each time. Check-in will be for the purpose of collecting medial and liability forms, and any outstanding payments.

**-Photographer** — takes ‘action shots’ of students during instruction. Make photos available to parents during the class sessions. Arrange for group photo for both OptiKids and Junior Week participants, and make available to members at their expense.

**-Social** — Coordinate and execute any social activity chosen! Acquire and insure secure distribution of daily snacks for each section.

**-Large Dingy Launching** — Responsible for launching One Design Boats loaned to the program by members for use in the Team Sailing Class. This is done before classes start each day.

**-Doctor of the Day** — (Pre-requisite: must be a doctor!) serve as Doc of the Day for one day of Junior Week or OptiKids.

**-Parent of the Day** — Carries hand held radio to communicate with each class. Familiar with phone locations at the club. Handle minor medical problems (mostly nettles or ‘windy day’ induced stomachaches☺) Contact Doc of the Day if necessary. Has access to all medical forms and liability release forms if necessary for medical evacuation of students. Contact parents if necessary.

## Small Boat Parking

Replacement of the Fishing Bay Clubhouse will provide some challenges in the Small Boat Parking area in 2001. Those members who are consumed with curiosity and drive up to the club to check on progress may see changes in the gated area. First and foremost the old rusty red dumpster has been removed and replaced with a like size green one somewhat closer to the

gate. Don't for a moment think this was done to make it easier for Stove Point residents to dump their trash! Very simply it was to allow us more ready access to club property in the NE corner of our gated area to store seldom-used boats, and to add to available parking space. To do this there has necessarily been some movement of parked boats; however if everything goes according to plan boats that have been moved may

well be in their new resting places before most owners recognize any change.

Regardless of what has been done to prepare for the new season, while small boat owners provide the club with a significant income each year, these boats are subject to movement for reason per the Small Boat Parking rules that are published each year in the

## Summer time Junior Parent Jobs done at various times throughout the summer

**Racing Travel Team** help promote racing by our Juniors at FBYC and away regattas.. The primary goal would be to improve racing participation throughout the season and help our young sailors gain the experience necessary to continue in the sport. If your child is racing you might call the parents of friends to promote the idea of traveling to some of the other wonderful clubs around the Bay. You might travel with the kids and help out kids traveling "sans" parents. You might offer your home to the team if you have one near some of the race locations.

**FunSail Events** help organize parents and help them get their Optimist sailors out on the water for fun days, cruises across the Fishing Bay and mini-fun-races throughout the season. We already have two Mini-Camps on the schedule which are run by the coaches—we just need some promoters!

**Race Committee** help with Junior race committee duties throughout the year. There are 2 Junior Regattas scheduled at FBYC, and then there is the potential for Race Committee duties at each One Design racing event. It's a great way to start learning Race Committee duties—the sailors aren't as particular about the course as some of the more seasoned sailors!

## Race Management Seminars and New Racing Rules Clinic

The **Annual CBYRA Race Management Seminar** will be held at the Annapolis Yacht Club on Saturday, March 10 2001 from 8:30 - 4:00. This year Brad Dellenbaugh will be the Key Note Speaker discussing New Issues on Race Management. Mark Murphy will give us an update on the US SAILING Race Management Certification Process, as well as discuss the new RRS 2001 -2004 Starting Sequence. Tucker Thompson will consult the race mangers on Ideas and Feedback from the Competitors. Concurrent session include Taran Teague and Wayne Bretsch addressing decisions to be made on the Signal Boat - Issues with Wind. ,Fred Dersch and Bruce Bingman will speak on Mark Boat Tips, Reg Genola will review Scoring, and Joe Krolak will discuss issues with Jury and the Race Committee. The full seminar, plus a continental breakfast is only \$5.00. Lunch will be available for purchase.

For more information contact Taran Teague at 202.624.7691 or email to [taran54321@aol.com](mailto:taran54321@aol.com).

### Southern Bay

#### RACE MANAGEMENT SEMINAR MARCH 31

Submitted by Joe Hallissy

Race management under the new racing rules will be featured in the 2001 edition of the lower bay's annual race management seminar. The half-day session will be held at the Hampton Main Library on Saturday, March 31 from 9am to 1pm. The later-than-usual date should allow time for the new edition of the Racing Rules of Sailing (2001-2004) to reach everyone. If you are not already a USSA member, join now and your new RRS copy will be mailed to you automatically. A number of rule changes have been made which affect the way we do our race committee work, so a new copy of the rule book and attendance at this year's seminar will be especially useful. As an added feature of the seminar, US Olympic Head Coach Gary Bodie will give us his observations and comments on the race management at the recent Sydney Olympics.

For additional information, call Joe Hallissy (757) 723-4392.

You Can Use, Lin McCarthy, Editor

**IMPORTANT** early spring calendar dates: **CCV RACING RULES CLINIC** - Monday evening, 6:30 - 9:00, March 26, Hampton City Main Library. This clinic is crucial to skippers and crew, especially this year because of changes in the new Racing Rules of Sailing (2001-2004) which take effect April 1, 2001.

Clinicians: CCV Protest Chairman John McCarthy (clinic honcho) along with Joe Hallissy, Mitch Brindley, and Dave Pyron. This is also your first and best opportunity to pick up the 2001 CCV Book.

Here are the directions:

Travel I-64 east to the Hampton University exit. Turn **RIGHT** at the bottom of the exit ramp. Cross the bridge over Hampton River, turn **LEFT** at the Virginia Air and Space Museum (on your left). Follow Bridge Street until you see the cannon and HYC on your left (Victoria Blvd) - turn **RIGHT** on Victoria. Main Branch Hampton Library is on right 2 or three blocks down

## FBYC Pair Win at St. Pete NOODS

We found *Patriot* intact but somewhat dirty having spent nearly a month waiting for us in St. Petersburg. The weather and racing conditions were just great, except for Sunday morning. A northerly Saturday night blew so much water out of Tampa Bay that some of the Henderson 30s ran aground in the starting area. The race committee moved the course twice looking for deeper water. Fortunately no J/29s hit bottom.

*Patriot* ended up 2nd out of 8 J/29s. Jay McArdle's *Fast Lane* was 1st overall. Jay recently moved from Chicago to West Point and is a new member of FBYC.

*Patriot's* crew consisted of 4

veterans of Key West--Ken Sears, Mike Winters, John Wake and me. We added Sharon Wake, who with her husband John, is a member of FBYC; Ken Hidu, who is a regular on *Patriot*; Jeff Bright, who just bought a J/29 and lives in Pensacola; and Larry Hogan, who lives and sails in St. Petersburg.

The Key West and St. Petersburg regattas were great fun and good training. They will help prepare us for the keen competition at the FBYC J/29 Invitational Regatta on April 27-29. by Case Whittemore

(Ed addition) Jay's crew included Elizabeth Staas and friends from Wisconsin, Illinois, Connecticut and Florida.

. Also racing from Fishing Bay were Frank Glawson's J 29 *Liverpool Jarge* and Dennis Hannick's *Radio Flyer* in Level 123.

Green book. And given the limited area that the club has for storage of boats or whatever, members may expect to see rule changes in the future. We need all members to help us, particularly while we are undergoing a major change, by working with those who are responsible for allocating the limited storage space we have. A notice in the January LOG under the heading Lockers and Storage asked members with floats and other items in the screened porch by the East Bath House and nearby areas to remove their belongings by February 28. At the current rate of progress we may over-fill the dumpster on Clean-Up Day, March 17. You still have time to rescue your belongings, but not much! Please help us help you.
