

FROM THE QUARTERDECK

MARCH 2025

DREAMING OF SPRING

By now you have all received and (hopefully) paid your renewal invoices, and I thank you for that. Our membership is a great value when you think about all that is available to us in that package. There is no finer piece of waterfront property or sailing area on the Piankatank. We are somewhat protected in Fishing Bay, but we have direct and close access to the Bay if that is what we want. The Club's facilities, buildings, ramps, waterfront and size all enable us access to these beautiful surroundings, and the ability to host the finest sailing experiences and gather with friends. But there is a cost to maintaining this access. We are tasked with being good stewards of the Club for now and future generations to enjoy. Our Board members, long range planning committees and volunteers are fully engaged. Two things we can be certain of - there is always planning and there is always maintenance. You will hear from volunteers looking for more volunteers to staff the full calendar of events we provide, so just say yes if you can.

With that volunteer spirit in mind, Susie Wright is looking for social chairs for two of our signature events - Open House (Memorial Day Weekend) and Commodore's Ball (November 15). Susie and her social team have made great improvements to the volunteering process for these events - there are checklists and suggestions you can use when planning an event, rather than having to figure it out all by yourself. And we already have a venue and band for the Commodore's Ball. Consider volunteering for these events and bring a friend.

With regard to being good stewards and maintaining our facilities and boats, you will see some upcoming repairs to the Fishing Bay dock, pool area and various boat maintenance that is happening now so that we can fully enjoy our facilities by Opening Day. Thanks to good

financial management and planning for these expenses, we can take care of these items without impacting our stable financial position. I am grateful for our Board's support.

I am constantly amazed at the community we have at FBYC. Since I arrived in 2008, the members of FBYC have always been a welcoming and open group. We have a solid reputation for coordinating great events, growing good sailors, and being gracious hosts. Our skippers are famous for never leaving anyone on the dock if they want to sail, no matter the skill level. That is how Paul ended up sailing with David Hazelhurst many years ago. That kind of openness demonstrates the inviting environment we want to promote for all. We are each ambassadors for the Club in every sense. That family feeling extends itself and is infectious. Over the years many of our junior sailing coaches have come to us from all over the world, many from Argentina. These coaches remain a part of the FBYC family. And if you happen to visit any yacht clubs in Rosario, Argentina, they know FBYC and will give you a very warm welcome!

We have so many things to look forward to this month - make plans to be there, see your friends and make some new ones! See the events calendar at fbyc.net for details and I look forward to seeing everyone soon.

RAIN OR SHINE, LIFE'S BETTER ON THE WATER!

FBYC's Crew Training Program is the perfect opportunity for beginner and intermediate sailors to refine their sailing and racing skills. Whether you're new to sailing or looking to improve, this program is open to both members and non-members—so invite your friends and family! It's a fantastic way to introduce someone to the thrill of sailboat racing.

Classroom Sessions start Tuesday, March 25, and On-the-Water Training kicks off on Saturday, April 19.

**Join fellow FBYC members for our Annual Spring
Clean-up and Adult Sailing Boat Prep Day!
Saturday, March 22 9am - 1pm**

We will be sprucing up the Club!

Note: Specific needs will be determined as we get closer to 3/22 based on what can be accomplished prior. We may have indoor/outdoor needs so sign up and stay tuned! We will need also volunteers to assist Ron Jenkins in prep/maintenance of our FBYC Adult Sailing Boats (Flying Scots).

Bring work gloves, any yard tools (such as wheelbarrows, pitchforks, rakes, shovels, cordless drills and trimmers, etc and please label well), comfortable shoes, and come hang out with friends and make the Club and our Adult Sailing Boats gorgeous and ready for a new year! Yes, you can operate your own items and keep track of them.

We will meet at the main clubhouse at 9:00 am for direction and tasks.

Lunch and drinks will be provided - so we will need a headcount—sign up via the Sign up Genius! When we break for lunch, we can look back and see the beautiful progress made from the morning's work.

**MEETUP WITH TOMMY DIETRICH
FEBRUARY 28 RECAP**

Our very own long-time FBYC junior coach and pro sailor Tommy Dietrich swung through Richmond recently on his way to San Diego for the Etchells West Coast Spring Series. A group of FBYC members gathered at Hardywood Brewery to catch up with Tommy and hear about his whirlwind sailing adventures. Tommy told us that he has moved his home base to Vienna, Austria where he dates a three time member of the Austrian Olympic sailing team. Tommy does not spend much time in Austria, though. He currently splits his time travelling around the world with a J-70 team, a Melges 24 team and an Etchells team. As you would expect, Tommy was very modest about his own accomplishments and was most interested in hearing an update on the many FBYC juniors he coached.

Best wishes and good luck to Tommy and we look forward to his next visit.

CPR/AED TRAINING RECAP

On Saturday morning, twelve FBYC members took a break from being snowbound to do something that could save lives. As part of our ongoing relationship with Middlesex County Volunteer Rescue Squad (MCVRS), the members of the Rescue Squad trained a full class of FBYC members in cardiopulmonary resuscitation (CPR) and automated external defibrillator (AED) use. The American Heart Association's Heartsaver First Aid CPR AED Course included such topics as when, where and how to perform CPR, how to give effective breaths using mouth to mouth or masks, operation of an AED, how to help a person who is choking, what to do in the case of a drug overdose emergency and general water safety to prevent swimming pool drowning.

Over the course of four hours at the rescue squad facility in Deltaville, First Lt. Ellen Vest (MCVRS Training Officer), assisted by Ole Albert (MCVRS Captain) and Tina Bevin Mennett (MCVRS member), provided instruction using AHA training curricula, training "dummies", AED training simulators and equipment demonstrations. Students also learned about the specifics of FBYC AEDs - where they are located (listed below) and what is included at each AED site.

More CPR AED training is in the planning stages. If you are interested in taking a course, please reach out to Donna Alvis or Susie Wright.

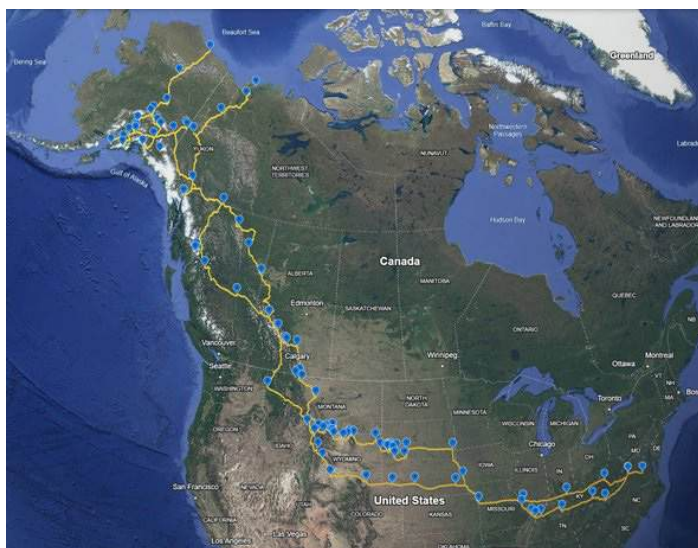

Automated external defibrillators at the Club:

- **AED Main Clubhouse** - Located hanging on the wall between the inside entrances to the Men's and Ladies' restrooms on the first floor.
- **AED Fannie's House** - Located hanging on the wall adjacent to the kitchen area.

"The class was very worthwhile. The instructors were very patient and answered all of our questions. They made the information interesting and it was not overwhelming."

MARCH WINTER PROGRAM

Shake off the COLD and Winter Blues! See the fantastic photos and hear the amazing stories of Paul and Mary's epic adventure to and from Alaska.

March 20, 2025, 6:30 pm – 8:30 pm
FBYC Winter Program 2025
speakers Paul and Mary Almany

Come join your fellow members and guests on Thursday evening, March 20th, at the Westwood Club to spend a relaxing, low key evening with friends for our 2025 Winter Program. We'll be serving light hors d'oeuvres with a cash bar beginning at 6:30 pm, and there will be a brief presentation of CBYRA high point awards for the 2024 season.

At 7 pm, FBYC's own Mary and Paul Almany will share with us their amazing and epic Alaskan adventure from last summer. Traveling over thousands of miles over several weeks, Paul and Mary embarked on an adventure that wasn't just about new places, wild animals and rugged roads....it was truly a trip about the people...connecting with old friends and forming new friendships culminating into a series of stories for adventurers, animal lovers and everyone in between!

HI EVERYONE AND HAPPY NEW YEAR!

For those who don't know me, I'm Susie Wright, the FBYC social director. I'm currently looking for Event Chairs or Event Chairs "in training" for our upcoming social events. As you probably know, the Club has a very active social calendar, and volunteers are what make these events happen!

Below is a list of Club sponsored social events for 2025 with the confirmed event chairs listed. A big thanks to all of you that have already volunteered! I am still looking for lead event chairs for the Open House event and the Commodore's Ball.

Event	Date	Event Chair	Event Chair in training
Winter Program	Mid March	Susie Wright	OPEN
Opening Day	4/26/2025	Julie Ann Wash	April Payne
Open House	5/25/2025	OPEN	Anne Litt Jennifer Velo
July 4th Cookout	7/4/2025	Caroline Patrick	OPEN
Closing Day	10/25/2025	Joe & Wendy Roos	OPEN
Commodore's Ball	11/15/2025	OPEN	OPEN

If you're interested in being an event chair for these events or an event chair in training please let me know (text, call or email)! Getting the event chairs confirmed is our priority. The event chair in training would assist this year's event chair to get experience to be an event chair for next year (2026).

Thanks in advance for making our 2025 season a great one!

Welcome Aboard

**APPROVED FOR MEMBERSHIP
MARCH 2025**

Andy & Amy Anderson – Amy and Andy bought two older marinas in Urbanna and formed the Urbby Marina. They have worked tirelessly for 3 or 4 years to restructure the two original marinas into one. They have created a warm, welcoming marina with a variety of services and options for visiting. Their sponsors and friends, the Schotts and the Montgomerys, first met them when they worked with Andy to arrange a large Cruising Division weekend visit for a fourth of July weekend. Amy & Andy went out of their way to make everyone welcome and gave them the run of the marina. Since then, they have visited 2 or 3 times as a group and many have made individual visits there; no one has ever been disappointed with their hospitality.

Andy knows boats extremely well in addition to managing the marina. Amy has developed a delightful gift shop on premises that offers unique items. They seek membership partially to expand their relationships to others than customers and fellow Urbanna residents as well as to get involved with a large sailing organization. Andy is very interested in returning to one design sailing. They will be great volunteers because when they become involved, they provide maximum effort. Amy is very outgoing and never met a stranger. Andy is very knowledgeable about boats and their combination makes a great team. “It has been a pleasure to meet and know several of FBYC members through their visits to our marina in the past 3 seasons. We enjoy the friendliness of our community and, while we now do a ‘different type of boating’ as a marina owner, we really enjoy boating on a daily basis.”

James & Katherine Stikeleather -

James grew up learning to sail at Fishing Bay in the junior program and their daughter has participated in Junior Week. Their sponsor, Tad Thompson, has known the Stikeleathers for many years and he cannot say enough good things about Jim (whom he knows as James to distinguish him from his father). Tad has known James (whom he affectionately calls “Gentleman James” because he is such a kind gentlemanly fellow) since he was a little boy growing up as the next-door neighbor with whom they share a dock.

The Thompsons are great friends with his parents, Jim and Macy, and they are grateful to have such fantastic neighbors. As an example of what a good neighbor James is, just this past Labor Day, James looked across Fishing Bay to see my 37’ sailboat dragging anchor across the bay after a wind shift. He came over, got me and took me to rescue my sailboat in his motorboat. His wife Kate and their children are delightful folks as well. I’ve seen a genuine love for the water and desire for their kids to be able to enjoy the same experiences that he was able to as a kid growing up with the club. The children have expressed interest in sailing, and they enjoy the community as well. They will be a great addition to the club for years to come.

Sponsors: Tad Thompson and Parker & Kim Garrett

Peter & Melodie Martin -

Melodie has frequented the Middle Peninsula area with family and friends since age 9, but although sailing piqued her interest, she had little to no opportunity to do so. Sailing finally came within reach as an adult when she was able to take an introductory sailing class offered near her home this past summer. She immediately fell in love with sailing and has since sought ways to learn more and gain experience with the hope of having a boat of her own. Peter is interested

MEMBERSHIP | RACING

in more social aspects of sailing and looks forward to enjoying a few boat rides at the club. Melodie looked into Fishing Bay Yacht Club after it was mentioned by a couple associates. She found that not only is it conveniently located but also has everything she is looking for - particularly ways to grow and connect with other sailors and get involved.

Melodie's sponsor, Mark Bellino, has sailed with and come to know her and can confidently attest she is eager to learn more, gain experience and get involved when it comes to sailing. Melodie has volunteered with the USO, Scouting and other causes. She has an affable personality, strives to be helpful and is ready to give her all. Melodie would make a positive addition to FBYC and would contribute greatly to its mission and goals.

OFFSHORE RACING MARCH 2025 TODD BLEKICKI

All Offshore Racers – Please know that frantic preps are going into planning and execution of the 2025 Offshore racing season. All skippers are reminded to reach Brad Burch and/or Jennifer Schooley regarding Social Chair coordination for our events. As of today, we have 11 Offshore Social Chairs to staff. Please refer to your schedules and reach Brad and Jennifer as soon as possible.

On the issue of PRO staffing, Brad Miller still has two events to staff with PROs. Please reach Brad Miller as soon as possible. Our soft spot on the staffing issue is that of scorers. Please solicit Ian Patrick to nominate your respective scorers.

Joe Roos is poised to launch Crew Training on Tuesday, March 23rd. One last plug for Crew Training is the request for skippers to volunteer their yacht to host the Crew Training on-the-water evolution scheduled Saturday, April 19th. Joe has set up a Signup Genius page for skippers to volunteer. Link and QR code are provided here. Please follow the QR code below to volunteer your yacht for this important facet of Crew Training. <https://tinyurl.com/26suvny5>

Joe Nelson is in the midst of orchestrating the 31st Annual Stingray Point Regatta. There are numerous opportunities for volunteerism during this event, which is scheduled for Friday, August 29 through Sunday, August 31.

Thank you to everyone on the Offshore Racing staff that has helped planning in the off-season.

ILCA Masters 2024

ONE DESIGN SAILING: SPRING IS ON THE WAY

Even though our schedule of events has not yet begun, and there is snow on the ground, there is a lot of activity behind the scenes and on the water too. Follow along as our One Design sailors travel and compete throughout the states.

We cheer on ILCA sailor Len Guenther who participated in the Florida Masters and both Jon Deutsch & Len who will be at the Masters Midwinters East at Jensen beach. (No results at this writing but keep an eye out for scores!)

Our M15 fleet members continue to impress us. Madeleine and Parker Garrett finished 10th in a fleet with 90+ participants at the Melges15 Winter Series in February. They are also headed to the Midwinter Champs on March 20-22 where over 100 sailors are registered to race. Fierce competition here with big numbers! In the January Winter Series we saw 105 participants on the line with our own Josh Bendura taking 18th, and Mason Chapman Jr. and Jackson Montague at 55th – and we saw Ziggy Krzysewski racing in November in the same Winter Series.

With Spring approaching, clean up your boat, check your sails and gear, pump up your dolly tires and get ready to go sailing. As you get your boat tuned for the new season check out the schedule of events for One Design, update your calendar and begin signing up on Regatta Network for our events. > **One Design events**

SUCCESSFUL 2024 SAILING SEASON

I had a very busy season racing on three teams, the Farr 400 Endorphin, Italia 14.98 Artemis, and the J 105 Kobayashi Maru, where we experienced wins on all three teams. Highlights include driving *Kobayashi Maru* to victory in the Triple Crown Charity Series, getting line honors in the Down the Bay race, and being selected to be on one of the US teams to compete in the ORC World championships in Newport aboard Artemis. To win the beautiful Triple Crown trophy, one must not only finish well in all three regattas, (Maryland Cure Cancer Regatta, CRAB Cup, and Hospice Cup), but must also be one of the top fundraisers in all three events. I am humbled to share that I was the recipient of the 2024 Triple Crown. None of this would be possible without my outstanding crew and all the donors who supported me in these wonderful and vital causes.

~ Cheers, John Dodge

ADULT SAILING

Get Ready for Another Great Season with FBYC Adult Sailing!

We're gearing up for another fantastic season of sailing here at FBYC Adult Sailing! First on our list: getting our fleet of six Flying Scots ready for a full season of fun on the Bay, from casual day sailing to exciting races.

Join Us for the Club Boat Workday – March 22nd

Mark your calendar for the Club Boat workday, which will be held alongside the Club's Spring Clean-Up Day on March 22nd. We invite all supporters of Adult Sailing to help get our boats ready for the season. Thanks to the generous support of FBYC members, we've added a new boat to the fleet, and our sails are getting a much-needed upgrade! We'll be inspecting the boats and creating a to-do list to make sure everything is in tip-top shape.

Sign-ups will be available soon, but feel free to email us at adultsailing@fbyc.net if you'd like to join in the fun and help kick off the season.

Sailing Opportunities for You and Your Friends

As you plan your 2025 sailing adventures, don't forget to check out the exciting opportunities we have in the FBYC

Adult Sailing Program:

- **May 31st - Small Boat Clinic:** Now in its 5th year, this event is perfect for small boat sailors who want to enjoy day sailing, some light racing, and a great party afterward. Plus, we'll have in-boat coaching available for beginners or anyone looking to brush up on their skills.

- **June 28th – Adult Clinic with Sea Breeze racing option:** in-boat coaching available with opportunities to join the excitement of racing.
- **July 12th - 13th - Women's Clinic:** Empowering women to take on the water with confidence.
- **August 9th - Adult Sail Clinic:** A great opportunity to improve your skills and enjoy a day on the water.

Check out the event pages on www.fbyc.net for all the details!

Club Boat Program – Unlimited Sailing All Season Long
Want to spend more time on the water this year? **The Club Boat Program** gives you unlimited access to our fleet of six Flying Scots for just \$100 a season—less than the cost of renting elsewhere for a single day! Whether you're racing, cruising, or just relaxing on a leisurely sail, the Flying Scots are yours to enjoy from May through October. It's the perfect way to get out on the water all season long. **Click here:** <https://tinyurl.com/28fdy2vm>

Bring Family and Friends Along

The best part? The FBYC Adult Sailing Program has opportunities for everyone! Bring your family, friends, or introduce someone to sailing and share the joys of life on the water.

JUNIORS

2025 Summer Junior Program

We are excited for another great summer with the Junior Program. Registration opened for members on Feb 1st, and for non-members on Mar 1st, and several programs are already full.

We are especially excited to have our pro coaches returning for the fourth consecutive year. Rachid Dalibalta is our sailing director and Optimist Race Team coach, and Tommy Pellejero is coaching 420s and Lasers. They are tremendous with both their knowledge and love of sailing, the work they do with our kids, and the effort they put in to grow all aspects of the program.

- **Opti Kids:** Two weekends in June (7 - 8 and 14 - 15)
- **Junior Week:** June 16 - 20

- **Junior Regatta:** June 21 - 22
- **Summer Sailing School:** Almost every week through August 10th. Wednesday - Thursday - Friday and Saturday - Sunday Sessions.
