

Our Vision ...is to continuously improve the quality of sailing and to increase the number of active sailors. To achieve this, we focus on maintaining high quality facilities that support all four of our sailing divisions. We work to proactively increase sailing awareness and promote participation by hosting high profile One Design/Dinghy and Offshore Regattas. Our annual commitment to, and investment in, our Junior Sailing programs is extensive and includes: a highly acclaimed Junior Sailing Camp drawing junior sailors from the Chesapeake Bay region, three competitive Junior Race Teams, world class coaches, and routine hosting of high profile regional and national regattas. We are active in the community and with several charities. The Club is a member of US Sailing and the CBYRA and is a founding member of the National Sailing Hall of Fame. We have participated in the New York Yacht Club's Invitational Cup Qualifying Series and our sailors routinely compete in regional, national and international regattas and ocean races.

- ◇ Dinghy & trailer storage
- ◇ Boat ramp & launching crane

- ◇ Two clubhouses
- ◇ Multiple shower facilities
- ◇ Commercial kitchen
- ◇ Lifeguarded pool

Fishing Bay Yacht Club is a private sailing club located in Deltaville Virginia. For over 50 years we have been located at the base of Stove Point Neck. We have a beautiful view over Fishing Bay for watching our One Design/Dinghy races and Junior sailors, and enjoying famous sunsets. The original clubhouse on Fishing Bay was built in 1950 shortly after the Club relocated from Urbanna Virginia. We replaced our main clubhouse in 2002 with a new two-story facility.

SAILING

OFFSHORE RACING

We host three or more Club series for PHRF rated yachts & yachts over 20 feet for the Spring Series, Fall Series, & Long Distance Series. Four stand-alone Club events are scheduled: Opening Day Regatta, Urbanna Race to Rosegill, Staggered Start Race on Closing Day, & a winter Frostbite Race.

ONE DESIGN RACING

We offer four racing series for active one design fleets throughout the year — Spring & Fall Series, Summer Sea breeze, & a July 4th Distance Race. Active fleets include Optis, Lasers, Radials, 420's, Flying Scots, & Front Runners.

CRUISING

We schedule a variety of cruises to scenic harbors & destinations for blue water sailors & families with children. We take advantage of the Chesapeake Bay's hospitable anchorages & often extend our cruises into North Carolina & New England.

JUNIOR PROGRAMS & RACE TEAMS

Our Junior Programs & Race Teams have continued to evolve & our racers have become a regular presence not only on the Chesapeake Bay circuit but also across the country & around the world. Our program consists of private lessons, Junior Week, Opti Kids, & three traveling Race Teams.

CLUB-OWNED FLEET BOATS

We also maintain a fleet of club-owned vessels for use by our members who may not own a boat. Our J/24 & Flying Scot are available throughout the season for daily use.

The Club has water frontage on both Fishing Bay and Jackson Creek. Fishing Bay is a bay at the entrance to the Piankatank River and Jackson Creek provides a well protected location for the Club's slips. The Club is ideally located to take advantage of the Chesapeake Bay's brisk sea breezes and to provide multiple more protected race courses, giving dinghy and offshore sailors alike great sailing.

SPECIAL EVENTS

STINGRAY POINT REGATTA

Our premier Offshore Division Regatta held over Labor Day weekend including three days of competitive sailing & first class social events. Since 1999, this regatta draws sailors from the Northern & Southern Chesapeake Bay & provides separate class starts for each of the PHRF A, J/105, PHRF B, PHRF C, and Non-Spinnaker Classes.

ANNUAL ONE DESIGN REGATTA

Our premier One Design/Dinghy Regatta has been held since 1939 in early August, routinely drawing 90-100 boats in eight to ten racing classes and offering visitors traditional FBYC hospitality.

ANNUAL AWARDS BANQUET

Our annual dinner party wraps up a season of racing recognizing the Club's top sailing performers from each Sailing Division & offers members & their crews an opportunity to socialize off the water.
